**Fantasyland** Sam Walker, 2007-02-27 Every spring millions of Americans prepare to take part in one of the oddest most obsessive and most engrossing rituals in the sports pantheon Rotisserie baseball a fantasy game where armchair fans match wits by building their own teams In 2004 Sam Walker a sports columnist for the Wall Street Journal decided to explore this phenomenon by talking his way into Tout Wars a league reserved for the nation's top experts The result is one of the most sheerly entertaining sports books in years and a matchless look into the heart and soul of our national pastime

**501 Baseball Books Fans Must Read Before They Die** Ron Kaplan, 2018-08-01 Propounding his small ball theory of sports literature George Plimpton proposed that the smaller the ball the more formidable the literature Of course he had the relatively small baseball in mind because its literature is formidable vast and varied instructive often wildly entertaining and occasionally brilliant From this bewildering array of baseball books Ron Kaplan has chosen 501 of the best making it easier for fans to find just the books to suit them or to know what they're missing From biography history fiction and instruction to books about ballparks business and rules anyone who loves to read about baseball will find in this book a companionable guide far more fun than a reference work has any right to be

The Final Four of Everything Mark Reiter, Richard Sandomir, 2009-12-15 Edited by Mark Reiter and Richard Sandomir and featuring contributions from experts on everything from breakfast cereal and movie gunfights to First Ladies and bald guys The Final Four of Everything celebrates everything that's great surprising or silly in America using the foolproof method of bracketology to determine what we love or hate and why As certain to make you laugh as it will start friendly arguments The Final Four of Everything is the perfect book for know it alls know a little and anyone with an opinion on celebrity mugshots literary heroes sports nicknames or bacon Bracketology is a unique way of organizing information that dates back to the rise of the knockout or single elimination tournament perhaps in medieval times Its origins are not precisely known but there was genius in the first bracket design that hasn't changed much over the years You of course may be familiar with the bracket format via the NCAA basketball tournament pairings each March If you've ever watched ESPN or participated in a March Madness office pool you know what a bracket looks like The Final Four of Everything takes the idea one step further and applies the knockout format to every category BUT basketball In areas where taste judgment and hard earned wisdom really matter we've set out to determine truly the Final Four of Everything
