### **Star Wars: Essays Exploring a Galaxy Far, Far Away**

Emily Strand, Amy H. Sturgis, 2023-09-12 Star Wars is a global phenomenon that in 2022 celebrated its 45th year of transmedia storytelling and it has never been more successful than it is today. More Star Wars works than ever are currently available or in simultaneous development including live action and animated series, novels, comics, and merchandise, as well as the feature films for which the franchise is best known. Star Wars fandom is worldwide, time-tested, and growing. Academic interest in the franchise both inside and outside of the classroom is high. This accessible and multidisciplinary anthology covers topics across the full history of the franchise. With a range of essays by authors whose disciplines run from culture and religious studies to film, feminism, and philology, *Star Wars: Essays Exploring a Galaxy Far, Far Away* speaks to academics in the field, students in the classroom, and anyone looking to broaden their understanding and deepen their appreciation for Star Wars.

Far-away Stories William John Locke, 2022-05-28 In *Far away Stories*, William John Locke weaves a tapestry of imaginative tales that transport readers to distant lands and explore the complexities of human emotions and relationships. His deft narrative style blends lyrical prose with elements of fantasy and introspection, inviting readers to engage deeply with the characters' journeys. Set against a backdrop of early 20th-century societal transformations, Locke's stories reflect an era grappling with change yet still firmly rooted in the timeless themes of love, loss, and the longing for connection. William John Locke, a celebrated English novelist, was known for his keen insights into human nature and his fascination with the intersections of reality and imagination. His own life experiences, marked by travel and diverse encounters, significantly influenced his storytelling. Locke's works often draw upon his understanding of the intricate relationships between people, making him a compelling voice in the literature of his time as he sought to capture the essence of the human experience amidst the backdrop of societal shifts. *Far away Stories* is a must-read for those who appreciate literary fiction that not only entertains but also provokes thought about the human condition. Locke's enchanting narratives will captivate readers and inspire them to reflect upon their own journeys, offering a beautiful escape into the realms of imagination and feeling.

**Voices from Far Away Lands** Sharon Carroll, Jim Kusch, Mary Gene Saudelli, 2019-06-07 This collection of essays highlights the power of the story, especially as told by those living an international life. What compels them to share their experiences? What have they experienced? What have they learned? In this time of tensions across the globe, rapid technological change, and extensive migration, there is compelling value in learning through storied experiences. This volume explores the concepts of identity, change, equality, ethics, citizenship, family, feminism, community, faiths, and values, advocacy, and charity systems and languages. These movements are contextualized through a storied approach, adopting social exchange theory, identity theory, and globalization and internationalization movements as frameworks. This book will appeal to academics, ethnographers, practitioners, graduate students, educators, and researchers.

**My Home is Far Away** Dawn Powell,2011-11-08 My Home is Far Away is the most precisely autobiographical of Powell s fifteen novels In this family chronicle set in early twentieth century Ohio young Marcia Willard s family struggles to keep up with the rapidly changing times and Marcia endures disillusionment cruelty and betrayal to forge a survivor s sense of independence John Updike has compared Powell with Theodore Dreiser Willa Cather Sherwood Anderson and those other Midwestern writers who felt something epic in the national shift from rural to urban from provincial sequestration to metropolitan liberation By 1941 when Powell set to work on My Home Is Far Away she was better known for the smart boozy bawdy hilarious send ups of Manhattan high and low life She had begun to attain a reputation for high sophistication and nothing could be less sophisticated in the glittering all knowing furiously present tense big city manner Powell had perfected than My Home Is Far Away This was the month of cherries and peaches of green apples beyond the grape arbor of little dandelion ghosts in the grass of sour grass and four leaf clovers of still dry heat holding the smell of nasturtiums and dying lilacs This was the best month of all and the best day It was not birthday Easter Christmas or picnic but all these things and something else something wonderful something utterly unknown The two little girls in embroidered white Sunday dresses knew no way to express their secret joy but by whirling each other dizzily over the lawn crying We re moving we re moving We re moving to London Junction My Home Is Far Away is one of the very few examples of a book written for adults with an adult command of the language that maintains the vantage point of a hungry serious child throughout It might be likened to a memoir that has been penned not with the usual tranquility of distance but rather with the sense that everything happening to the characters is happening right now without any promise of eventual escape without any assurance that childhood too shall pass away My Home is Far Away had been out of print for sixty years when Steerforth reissued it in 1995 It received immediate widespread acclaim and was featured on the cover of the New York Times Book Review where Terry Teachout called it one of the permanent masterpieces of childhood comparable with David Copperfield What Maisie Knew and the early reminiscences of Colette and where he proclaimed Powell to be one of this country s least recognized great novelists

**A Galaxy Not So Far Away** Dave Eggers,Kevin Smith,Joe Queenan,2015-03-24

A dazzling collection of original essays by some of America's most notable young writers on the cultural impact of the Star Wars films *A Galaxy Not So Far Away* is the first ever exploration of the innumerable ways the Star Wars films have forever altered our cultural and artistic landscape. Edited by Glenn Kenny, a senior editor and critic at *Premiere* magazine, this singular collection allows some of the nation's most acclaimed writers to anatomize, criticize, celebrate, and sometimes simply riff on the prismatic aftereffects of an unparalleled American phenomenon. Jonathan Lethem writes of the summer he saw Star Wars twenty-one times as his mother lay dying of cancer. Neal Pollack chips in with the putative memoir of a certain young man having problems with his father, written in the voice of Holden Caulfield. Erika Krouse ponders the code of the Jedi Knight and its relation to her own pursuit of the martial arts. New York Times film critic Elvis Mitchell meditates upon the mysterious figure Lando Calrissian. A classic assemblage of pop writing at its best, *A Galaxy Not So Far Away* is a book for everyone who loves Star Wars films and seeks to understand just what it is about these films that has so enchanted an entire generation of filmgoers.

*The Sun the Moon and Stars Above* Maine Bowens, 2008-10 This is not a book on just lecturing anybody \_\_\_\_ it is just something that God said to write and put together as he advised me to do. You will find some illustrations are not just our own experienced stories but from others that willingly shared too for the purpose of being able to point out viewpoints with good morals or words to ponder on. Everyday while I wrote I had no clue where to begin or where to actually stop. I learned it was best to flow along by allowing God to show me suitable words to write or when he reminded me of something that either happened years prior or something of recent that had been spoken to me by a family member or a friend. We can discuss the topic of Traditionalism later in class when I will allow you to bring your own customs from ancestors to posterity by oral communication while sharing with classmates your stories. We will also welcome your narrated tales by mail to be used later on. Please send them to the Author for sharing in the Cell Group. You should keep in mind while reading the pages within this book by trying to remember that Our self is an individual person and that each of us have a unique part of the influence which God hath created equally in us all. He hath given to you and I the abilities to use our gifts and talents to share love with someone else along the way. Come and experience with me today as we give unto others the joy of what the Lord hath yet in store for us to conquer.

*Far Away from Here* Ambata Kazi, 2025-08-12 *Far Away from Here* is a novel about three young Black American Muslims on the cusp of adulthood confronting faith, tradition, and the impact of their personal decisions in five years post-Hurricane Katrina in New Orleans. In New Orleans, it's been five years since Hurricane Katrina ravaged the heart and soul of both the city and its residents. Three young Black Muslim friends have reconnected after drifting apart as teenagers. Fatima left with the floodwaters of Katrina following the murder of her childhood love and fiancé Wakeel and has now returned to reluctantly care for Wakeel's mother. Tahani rebelled against a strict Muslim upbringing and feels stifled in her life as a single mother trying to make ends meet while craving a creative outlet. And Saif, the cousin of Wakeel, must reconcile with Fatima over how his illicit past played a role in his cousin's death. All

three struggle to envision a future for themselves that they can actively shape A testament to the stories we tell ourselves and each other *Far Away From Here* is a coming of age novel threaded with themes of community tradition faith and the courage to own one's narrative
