ensure that no one especially not the president of the United States is above the law Starr the man at the eye of the hurricane has kept his unique perspective to himself for two full decades In this long awaited memoir he finally sheds light on everything he couldn t tell us during the Clinton years even in his carefully detailed Starr Report of September 1998 Contempt puts you the reader into the shoes of Starr and his team as they tackle the many scandals of that era from Whitewater to Vince Foster s death to Travelgate to Monica Lewinsky Starr explains in vivid detail how all those scandals shared a common thread the Clintons contempt for our system of justice This book proves that Bill and Hillary Clinton weren t victims of a so called vast right wing conspiracy They played fast and loose with the law and abused their powers and privileges Today from the MeToo aftermath and Russiagate to President Trump s impeachment trial the office of the American presidency is in crisis and Starr s insights are more relevant now than ever
