

The background of the book cover is a watercolor illustration. At the top, there are green, leafy trees. Below them, a person with dark hair, wearing a red long-sleeved shirt and dark pants, is sitting in a small, narrow boat. The person is leaning forward, holding a long, thin object (possibly a paddle or a fishing rod) that extends into the water. The boat is on a body of water, depicted with light blue and white washes. The overall style is soft and painterly.

**The Faraway Mountains** Radu Guiasu,2023-11-07 A dark chapter in recent human history The first part of this novel follows the adventures of three young friends during a memorable last mountain climbing trip to a remote area of a country under the control of a ruthless authoritarian regime During their journey the young men have to cope with bear encounters venomous adders colorful locals storms dangerous climbs flooded caves and other challenges as the main purpose of their trip is gradually revealed A second story intertwined with the first one focuses on a brilliant young pianist and his ill fated quest for freedom Urban life in the dreary capital where the young men regularly reside is the focus of the second part of the novel when the friends begin to go their own separate ways and come to terms with their very different future prospects The challenges of life in the capital which include run ins with feral dog packs and the secret police are very different than those faced in the mountains but not less dangerous Ultimately this is a book about friendship the noble irreverent and indomitable aspects of the human condition as well as a dark chapter in recent human history and the various ways in which different people cope with difficult and unfair conditions It is an often hilarious and sometimes heartbreaking exploration of the absurdities of life under an increasingly erratic dictatorship which is gradually losing its grip on the people it could never fully control

*Rivers of Power* Laurence C. Smith,2020-04-21 An eye opening sometimes alarming and ultimately inspiring natural history of rivers and their complex and ancient relationship with human civilization Elizabeth Kolbert Pulitzer Prize winning author of *The Sixth Extinction* Rivers more than any road technology or political leader have shaped the course of human civilization They have opened frontiers founded cities settled borders and fed billions They promote life forge peace grant power and can capriciously destroy everything in their path Even today rivers remain a powerful global force one that is more critical than ever to our future In *Rivers of Power* geographer Laurence C Smith explores the timeless yet underappreciated relationship between rivers and civilization as we know it Rivers are of course important in many practical ways water supply transportation sanitation etc But the full breadth of their influence on the way we live is less obvious Rivers define and transcend international borders forcing cooperation between nations Huge volumes of river water are used to produce energy raw commodities and food Wars politics and demography are transformed by their devastating floods The territorial claims of nations their cultural and economic ties to each other and the migrations and histories of their peoples trace back to rivers river valleys and the topographic divides they carve upon the world And as climate change technology and cities transform our relationship with nature new opportunities are arising to protect the waters that sustain us Beautifully told and expansive in scope *Rivers of Power* reveals how and why rivers have so profoundly influenced our civilization and examines the importance this vast arterial power holds for the future of humanity As fascinating as it is beautifully written Jared Diamond Pulitzer Prize winning author of *Guns Germs and Steel* *Collapse* and *Upheaval*

**Where Is the Mississippi River?** Dina Anastasio,Who HQ,2017-09-12 Discover the history and culture of one of the most famous

waterways in the world the mighty Mississippi The most famous river in America runs like a spine between the eastern and western parts of the country flowing through ten states before it empties into the Gulf of Mexico The mighty Miss also flows through the history of America giving rise to great stories about the people who lived on it and used it as a watery highway from Native Americans and European explorers to skillful riverboat captains and colorful gamblers traveling on luxurious steamboats And of course it was the first truly American writer Mark Twain who grew up along its banks and made the Mississippi River famous around the world This book part of the New York Times best selling series is enhanced by eighty illustrations and a detachable fold out map complete with four photographs on the back *The Faraway Land* Dora Gail McDaniel,2010-03-09 Grayeson Manor has been a sign of enduring strength for many years When Lord Grayeson is called back to his homeland the large estate is left in the hands of his painfully debilitated wife Myrnie During the long years of his absence she lovingly oversees the manor and raises her twin sons who are approaching manhood When a horseback ride ends tragically for one of the young men on the estate Myrnie must face the fact that her son Charles Martin is choosing an increasingly dangerous course one that threatens the future of Grayeson Manor and its people Charles's disturbing behaviors plus the arrival of a beautiful neighbor Catherine Hampton create a growing rift between him and his younger twin John Paul Myrnie must lean on her husband's invisible presence as she plans for the traditional Christmas Ball an evening that becomes more and more pivotal to this allegorical tale set in 1812 **Jed Smith** Frank Latham,2003 This is a book which tells the story of an outstanding man who deserves to be recognized for his contributions to the opening of the West in the nineteenth century Jed Smith He was a daring explorer a skilled trapper and a dedicated Christian frontiersman As a young man he dared to live his God given dreams and as a result blazed a trail of achievement and honor throughout much of the West His work literally opened up major portions of the wilderness territory to settlers traveling west of the Rocky Mountains **No River to Cross** Daehaeng,2012-11-12 It is often said that enlightenment means crossing over to the other shore that far off place where we can at last be free from suffering Likewise it is said that Buddhist teachings are the raft that takes us there In this sparkling collection from one of the most vital teachers of modern Korean Buddhism Zen Master Daehaeng shows us that there is no raft to find and truly no river to cross She extends her hand to the Western reader beckoning each of us into the unfailing wisdom accessible right now the enlightenment that is always already right here A Zen or seon as Korean Zen is called master with impeccable credentials Daehaeng has developed a refreshing approach No River to Cross is surprisingly personal It's disarmingly simple yet remarkably profound pointing us again and again to our foundation our True Nature the perfection of things just as they are Faces of Jesus in Africa Robert J. **The Milk Lady of Bangalore** Shoba Narayan, 2025-05-01 The elevator door opens A cow stands inside angled diagonally to fit It doesn't look uncomfortable merely impatient It is for the housewarming ceremony on the third floor explains the woman who stands behind the cow holding it loosely with a rope She has the sheepish look of a person caught in a strange situation who is trying to act as normal as possible She introduces herself as Sarala and smiles reassuringly The door closes I shake my head and suppress a grin It is good to be back When Shoba Narayan who has just returned to India with her husband and two daughters after years in the United States asks whether said cow might bless her apartment next it is the beginning of a beautiful friendship between our author and Sarala who also sells fresh milk right across the street from that thoroughly modern apartment building The two women connect over not only cows but also family food and life When Shoba agrees to buy Sarala a new cow they set off looking for just the right heifer and what was at first a simple economic transaction becomes something much deeper though never without a hint of slapstick The Milk Lady of Bangalore immerses us in the culture customs myths religion sights and sounds of a city in which the twenty first century and the ancient past coexist like nowhere else in the world It's a true story of bridging divides of understanding other ways of looking at the world and of human connections and animal connections and it's an irresistible adventure of two strong women and the animals they love

**The Ungarnished Truth** Ellie Mathews, 2008 In a whimsical and witty memoir the author describes her odyssey into the heart of America's cooking competitions as she describes her participation in the Pillsbury Bake Off contest her amazement when she won the million dollar prize and the fame and hype that followed By the author of *The Linden Tree*

*Dance on the Wind* Terry C. Johnston, 2010-07-21 Sixteen year old Titus Bass fears one fate more than any other never to experience the great wilderness or the wildness inside himself So late one night he snatches a squirrel gun and a handful of biscuits flees

into the woods and doesn't look back From Louisville past the Chickasaw bluffs and the Natchez Trace all the way to New Orleans he plunges into the rough and tumble life along the banks of the Mississippi a volatile violent country of boatmen and river bandits knife fights and Indian raids strong liquor and stronger women Yet beyond the great river stretches the vast unexplored expanse of the Great Plains And it is here that young Titus will seek his future and risk everything to seize it

**The Nazi's Wife** Peter Watson, 2017-11-28 Stolen gold and forbidden love intertwine in this riveting novel set during the last days of the Third Reich by a superb writer and a masterful storyteller Houston Chronicle Walter Wolff an officer in the US Army's art recovery unit has been assigned to track down a priceless collection of gold coins stolen from a monastery in Austria General Eisenhower believes the treasure could be melted down and used to finance the escape plans of high ranking Nazi officials including Adolf Hitler's private secretary Martin Bormann So Wolff sets out in pursuit of Bormann's right hand man Rudolf von Zell the last person known to possess the coins His only lead is von Zell's beautiful enigmatic wife Konstanze But as Wolff works to win Konstanze's trust he finds himself falling in love with her As their relationship intensifies so too does the pressure to fulfill his mission only at what cost Inspired by real events involving one of the Monuments Men **The Nazi's Wife** is an outstanding story featuring exceptionally good writing The Daily Telegraph

**A Sangoma's Story - The Calling of Elliot Ndlovu** Melanie Reeder, 2012-09-27 My body has two lives the spiritual as well as the physical These are the words of Elliot Ndlovu a traditional healer sangoma who lives deep in the Drakensberg Mountains of KwaZulu Natal He lives two lives dividing time between his rural homestead and a world class hotel and spa constantly bridging the differences between these opposing worlds As a young man he was awoken in the dead of night by an apparition sent by his ancestors In terror he fled to a river where he was submerged until sunrise On the bottom of a riverbed he claimed to acquire all the knowledge of his cultural heritage to heal bodies and minds Ndlovu is a natural conservationist and leader who believes in the preservation of indigenous flora in the strength of community and in ubuntu the philosophy that the universal bonds of humanity are what bind us KwaZulu Natal's violent path to democracy mirrored his own turbulent journey through mental illness his *uthwasa* the necessary process of suffering to become a traditional healer But torment and tragedy led to consultations with Oscar nominees in Hollywood a meeting with the British Queen and a Christmas visit from a former state president Ndlovu's tales of storm chasing and magical serpents may be challenging for some but the poignancy of his story and unwavering belief in African traditional healing are what endear him to the most hardened cynic Melanie Reeder has captured the essence of this modern sangoma She sheds light on the beauty of Zulu culture and clarifies misconceptions about traditional healing

**Repel With a Cause** Hans JÃ¼rgen Eysenck, 1997-01-01 Hans Eysenck is one of the world's leading psychologists and undoubtedly the most controversial Throughout a long and illustrious career his work on personality and intelligence has aroused impassioned debate and attacks both verbal and physical on Eysenck himself In his compelling and absorbing autobiography Eysenck recounts in some detail the battles he had to fight in order to establish his

major conclusions as well as the reasons why he investigated these subjects He also discusses his work on such topics as the health hazards of smoking the prophylactic effects of behavior therapy on cancer and coronary heart disease parapsychology astrology and other matters In a new foreword written for this edition Eysenck expresses his pleasure regarding the fact that his autobiography is now being published in the United States He discusses how much of his scientific life has been bound up with American psychology Also new to this American edition is a chapter titled Genius Creativity and Vitamins in which Eysenck talks about the research he has worked on since his retirement in 1983 Rebel with a Cause is an intriguing autobiography and will be of paramount interest to psychologists sociologists and genetic scientists     Laying Down Arms to Heal the Creation-Evolution Divide Gary N. Fugle, 2015-01-01 Battles over creation or evolution have been perpetuated for years by vocal Christians and scientists alike But conflict has never been the only choice Laying Down Arms to Heal the Creation Evolution Divide presents a comprehensive uplifting alternative that brings together an orthodox biblical view of a sovereign Creator God and the meaningful discoveries of modern evolutionary biology Gary Fugle offers unique insights into this debate from his dual perspective as both an award winning biology professor and a committed leader in conservative evangelical churches In focusing on the stumbling blocks that surround creation and evolution debates Fugle sensitively addresses the concerns of skeptical Christians and demonstrates how believers may celebrate evolution as a remarkable aspect of God s glory He describes how the mainstream scientific community as well as numerous Christians may alter current approaches to eliminate conflicts He explains conservative readings of early Genesis that respect both the inerrant words of Scripture and the evolutionary revelations in God s natural creation This book is for individuals who sense that biblical Christian faith and evolution are compatible without compromising core convictions If given good reasons to do so are we willing to lay down our arms to affirm an encompassing vision for the future

Downloading Faraway Rivers provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Faraway Rivers has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Faraway Rivers. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Faraway Rivers. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Faraway Rivers, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Faraway Rivers has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
