Saperstein, 2001-01-01 Harold I Saperstein served as rabbi of Temple Emanu El of Lynbrook N Y from 1933 until his retirement in 1980 The specific contours of his career reflect a sustained effort to use the pulpit of this suburban temple to communicate a Jewish perspective based on personal encounters with great issues of the day including the rise of Nazism and the Holocaust the civil rights era the McCarthy era and other turning points in American history The fifty two sermons in this book have been selected introduced and annotated by Marc Saperstein whose award winning books on the history of Jewish preaching have established him as a leading expert on this subject No other book illustrates as effectively the value of the sermon as a resource for understanding the challenges faced by American Jews at some of the most dramatic moments in the turbulent history of this century

Dictionary of Dates, and Universal Reference, Relating to All Ages and Nations Joseph Haydn, 1851 Wit and Wisdom: January-June 1881, 1881 **Landon Carter's Uneasy Kingdom** Rhys Isaac, 2005-09-29 Landon Carter a Virginia planter left behind one of the most revealing of all American diaries In this astonishingly rich biography Isaac mines this remarkable document and many other sources to reconstruct Carter's interior world as it plunged into revolution The aging patriarch though a fierce supporter of American liberty was deeply troubled by the rebellion and its threat to established order His diary originally a record of plantation business began to fill with angry stories of revolt in his own little kingdom Carter writes at white heat his words sputtering from his pen as he documents the terrible rupture that the Revolution meant to him Indeed Carter felt in his heart that he was chronicling a world in decline the passing of the order that his revered father had bequeathed to him Not only had Landon's king betrayed his subjects but Landon's own household betrayed him his son showed insolent defiance his daughter Judith eloped with a forbidden suitor all of his slaves conspired constantly and eight of them made an armed exodus to freedom The seismic upheaval he helped to start had crumbled the foundations of Carter's own home In Landon Carter's *Uneasy Kingdom* Rhys Isaac unfolds not only the life but also the mental world of our

countrymen in a long distant time Moreover in this presentation of Landon Carter s passionate narratives the diarist becomes an arresting new character in the world s literature a figure of Shakespearean proportions the Lear of his own tragic kingdom This long awaited work will be seen both as a major contribution to Revolution history and a triumph of the art of biography **Kindergarten Primary Magazine** ,1917 *The Congressional Globe* United States. Congress,1870 **Air Force Magazine** ,2008-07
