A Pastor's farewell address** Rev. James KELLY,1859 **The Scottish Christian Herald** ,1839 *Mardi Gras in Mobile* L. Craig Roberts,2015-01-12 Mardi Gras in Mobile began its carnival celebration years before the city of New Orleans was founded In the 1700s mystic societies formed in Mobile such as the Societe de Saint Louis believed to be the first in the New World These curious organizations brought old world traditions as they held celebrations like parades and balls with themes like Scandinavian mythology and the dream of Pythagoras Today more than 800 000 people annually take in the sights sounds and attractions of the celebration Historian and preservationist L Craig Roberts through extensive research and interviews explores the captivating and charismatic history of Mardi Gras in the Port City Calvin John T. McNeill,1960-01-01 This is the definitive English language edition of one of the monumental works of the Christian church All previous editions in Latin French German and English have been collated references and notes have been verified corrected and expanded and new bibliographies have been added The translation preserves the rugged strength and vividness of Calvin s writing but also conforms to modern English and renders heavy theological terms in simple language The result is a translation that achieves a high degree of accuracy and at the same time is eminently readable Long recognized for the quality of its translations introductions explanatory notes and indexes the Library of Christian Classics provides scholars and students with modern English translations of some of the most significant Christian theological texts in history Through these works each written prior to the end of the sixteenth century contemporary readers are able to engage the ideas that have shaped Christian theology and the church through the centuries **Christian Kinship** David A. Torrance,2022-09-22 Ideas of kinship play a significant role in structuring everyday life and yet kinship has been neglected in Christian ethics moral philosophy and bioethics Attention has been paid in these disciplines to the ethics of family but with little regard to the evidence that kinship varies widely from culture to culture suggesting that it is in fact culturally constructed Surveying notions of shared substance e g blood ties house gender and personhood as theorised and practiced in the Christian tradition Torrance critiques the special privileging of the blood tie In the place of European and American cultural assumptions to the contrary it is kinship in Christ that is presented as the basis of a truly Christian account for social ties Torrance also aims to stimulate the moral imagination to consider Christian kinship might be lived out in miniature in everyday life **The Works of Joseph Bellamy, D.D., First Pastor of the Church in Bethlem, Conn** Joseph Bellamy,1853 Christian Institutes Christopher Wordsworth,1837 *Christian Institutes: Sundry articles of the creed, and other principal topics of Christian doctrine* Christopher Wordsworth,1842 *The Works of Joseph Bellamy* Joseph Bellamy,1853 **Institutes of the Christian Religion** Jean Calvin,1961 **The Italian Convert** Niccolo Balbani,1689 The Works of Joseph Bellamy, D.D.
