illustrated and compelling look at the long complicated relationship between humans and these highly intelligent sociable animals Mizelle traces the natural and cultural history of the pig focusing on the contradictions between our imaginative representation of pigs and the real world truth of the ways in which pigs are prized for their meat used as subjects in medical research and killed in order to make hundreds of consumer products Pig begins with the evolution of the suidae animals that were domesticated in multiple regions 9 000 years ago and points toward a future where pigs and humans are even more closely intertwined as a result of biomedical breakthroughs Pig both examines the widespread art entertainment and literature that imagines human kinship with pigs and the development of modern industrial pork production In charting how humans have shaped the pig and how the pig has shaped us Mizelle focuses on the unresolved contradictions between the fiction and the reality of our relations with pigs

Make Christianity Great Again Luke Matthews, If you re a Christian this book will change your life It addresses a problem that has always troubled you If Christianity is true why do so many people disbelieve it why is it losing its hold over the world and why is it possible to imagine a world of the future with no Christians at all Christianity is being attacked on all fronts and seems close to total defeat The future does not look Christian It looks the opposite How can that be if Christianity is the truth of reality You as a faithful Christian are enraged by the way the world has turned against Christianity and you know the world is lost if it does not turn back to the Truth revealed in Jesus Christ The most important idea in Christianity is the Second Coming Christ is coming back That s when all the unbelievers will be made to eat their words and beg for forgiveness The question is this why hasn t Jesus already returned What is he waiting for The answer ought to be obvious We aren t waiting for him He is waiting for us Jesus isn t the hold up We are The First Coming was when Jesus appeared on earth to show us what to do The Second Coming happens when we have actually done it But we haven t done it nowhere near and that s the whole problem Christianity reeks of failure After two thousand years of Christianity why isn t the world saved What has gone wrong The answer is obvious Christianity has been sabotaged Its enemies have warped and distorted it Satan is the Father of Lies His greatest lie was sewn into

Christianity to corrupt Christ's message That corruption must be undone so that people see true Christianity the Christianity of its First Age when Christianity as a pure movement of the ordinary people the oppressed people the godly people swept the world even reaching the doors of the imperial palace of Rome But that's when everything went wrong When those doors opened it was Satan who stood there It was Satan who welcomed in Christianity and turned it into a message of earthly power not of love and truth You all know this You all want to know what to do about it How can the Devil be purged from Christianity *Berkshire World and Cornbelt Stockman* ,1918
