Mode Lisa Lovatt-Smith, Patrick Remy, 1997 Edited by Patrick Remy Text by Lisa Lovatt Smith Fashion Images De Mode Lisa Lovatt-Smith, 1999 Edited by Martin Harrison Text by Lisa Lovatt Smith Susan Sontag **Fashion Images de Mode**, 1996 **Fashion at the Edge** Caroline Evans, Caroline Edwards, 2003-01-01 Caroline Evans analyses the work of

experimental designers the images of fashion photographers and the spectacular fashion shows that developed in the final decade of the twentieth century to arrive at a new understanding of fashion's dark side and what it signifies Drawing on a variety of literary and theoretical perspectives from Marx to Benjamin Evans argues that fashion plays a leading role in constructing images and meanings during periods of rapid change She shows persuasively that fashion stands at the very centre of the contemporary where it voices some of Western culture's deepest concerns **American Photo**, 1998-01

Transforming Magazines Carla Rodrigues Cardoso, Tim Holmes, 2022-07-21 This book is a vital contribution to the development of Magazine Studies It shows the urgent need for industry and academia to jointly find solutions for the challenges faced by magazines as they transition to digital formats The spirit of magazines is to create communities and interconnections between human beings and the global appeal of this subject matter is shown in contributions from 19 authors from four continents and 10 different countries The book disseminates fresh research into a wide variety of periodical types and will appeal to communication and journalism scholars but also to historians digital media and visual studies researchers Magazine professionals will also find significant insights into practice that will deepen their understanding and sharpen their craft **Fashion Today** Colin McDowell, 2000-01-09 Fashion Today is a kaleidoscopic colorful and provocative survey of the fashion world from the introduction of Dior's New Look in 1947 to the present day The book is a thematic overview of fashion in its widest sense imaginable ranging from haute couture to street style from the one off to the mass market to the pret a porter It illustrates with elegance and flair just how vital and everlasting a part fashion has played in reflecting and influencing twentieth century attitudes from the sexual revolution and rise of popular culture in

the 1960s to the consumerism of the 1980s and 1990s Fashion Today places current fashion not only in the contexts of youth sexuality fetishism exoticism and historicism but also in the contexts of previous fashion movements it demonstrates dynamically that fashion reflects not only its surroundings and its subjects but ultimately itself Aesthetically and intellectually stimulating this volume is a must have for anyone who has even the vaguest interest in any aspect of the fashion world today Its breadth of scope and depth of insight are unprecedented

Paris Fashion and World War Two Lou Taylor, Marie McLoughlin, 2020-01-09 Winner of the Association of Dress Historians Book of the Year Award 2021 In 1939 fashion became an economic and symbolic sphere of great importance in France Invasive textile legislation rationing and threats from German and American couturiers were pushing the design and trade of Parisian style to its limits It is widely accepted that French fashion was severely curtailed as a result isolated from former foreign clients and deposed of its crown as global queen of fashion This pioneering book offers a different story Arguing that Paris retained its hold on the international haute couture industry right throughout WWII eminent dress historians and curators come together to show that amid political economic and cultural traumas Paris fashion remained very much alive under the Nazi occupation and on an international level Bringing exciting perspectives to challenge a familiar story and introducing new overseas trade links out of occupied France this book takes us from the salons of renowned couturiers such as Edward Molyneux and Robert Piguet French Vogue and Le Jardin des Modes and luxury Lyon silk factories to Rio de Janeiro Denmark and Switzerland and the great American department stores of New York Also comparing extravagant Paris occupation styles to austerity fashions of the UK and USA parallel industrial and design developments highlight the unresolvable tension between luxury fashion and the everyday realities of wartime life Showing that Paris strove to maintain world dominance as leader of couture through fashion journalism photography and exported fashion forecasting Paris Fashion and World War Two makes a significant contribution to the cultural history of fashion

History of Photography Laurent Roosens, Luc Salu, 1989-01-01 The fourth volume in a history of photography this is a bibliography of books on the subject

Travelling images Anna Dahlgren, 2018-07-11 This book critically examines images in the borderlands of the art world investigating relations between visual art and vernacular visual culture within different images communities from the 1870s to the present day It concentrates on the mechanisms of such processes and their implications for the understanding of art and art historical narratives Merging perspectives from art history and visual culture studies with media studies it fills a gap in the field of visual studies through its use of a diversity of images as prime sources Where textual statements are scarce the book maps visual statements instead demonstrating the potential of image studies Consequently it will be of great relevance to those interested in art and visual culture in modernity as well as discourses of the notion of art and art history writing

Womanhoods and Equality in the United States Christen Bryson, Anne Légier, Amélie Ribieras, 2024-03-15 Womanhoods and Equality in the United States explores how the idea of equality has evolved along with the debates that have animated contemporary American women s history This book

argues that womanhood is neither a unified concept nor a monolithic experience but rather a multifaceted notion This collection thus looks at this plural dimension of womanhood womanhoods with a special focus on equality as a common goal The authors question what equality means depending on many factors such as race class sexuality education marital or parental status physical appearance and political orientation and address timely issues including abortion rights Black womanhood and sexual violence on college campuses Womanhoods and Equality in the United States is an essential resource for academics and students in gender studies American sociocultural history and the sociology of social movements

Fashion Illustration Next Laird Borrelli, 2004-09-30 The photograph has long been the medium of fashion but contemporary illustration is transforming how the industry is presented Fashion Illustration Next presents the work of nearly forty artists from around the world whose work is changing the way we see fashion free of model worship and the cult of the photographer Though it is no shock that the new generation of illustrators makes abundant use of digital media and techniques the surprising array of results from high sheen artifice to fantasy collage to work that looks like old school pen and ink represents a rich confluence of styles More than 200 examples of this cutting edge work convey a host of moods reflecting the state of the modern world as much as that of the fashion industry and revealing a tendency toward the erotic fantastic introspective and sometimes sinister Fashion Illustration Next is the collision of fashion and vision Text and Image in Modern European Culture Natasha Grigorian, Thomas Baldwin, Margaret Rigaud-Drayton, 2012 Text and Image in Modern European Culture is a collection of essays that are transnational and interdisciplinary in scope Employing a range of innovative comparative approaches to reassess and undermine traditional boundaries between art forms and national cultures the contributors shed new light on the relations between literature and the visual arts in Europe after 1850 Following tenets of comparative cultural studies work presented in this volume explores international creative dialogues between writers and visual artists ekphrasis in literature literature and design fashion architecture hybrid texts visual poetry surrealist pocket museums poetic photo texts and text and image relations under the impact of modern technologies avant garde experiments digital poetry The discussion encompasses pivotal fin de siècle modernist and postmodernist works and movements in Britain France Germany Italy Poland Russia and Spain A selected bibliography of work published in the field is also included The volume will appeal to scholars of comparative literature art history and visual studies and it includes contributions appropriate for supplementary reading in senior undergraduate and graduate seminars Fashion images de mode no 1 L.
