Fashioning Memory Heike Jenss, 2015-10-22 The valuing of old clothes as vintage and the recollection of the sartorial past whether through second hand consumption or the wearing of new old fashioned clothes has become a widespread phenomenon This book illuminates sartorial and bodily engagements with memory and time through the temporal and nostalgic potency of fashion and what this means for contemporary wearers Based on in depth ethnographic research including participant observation and interviews with sixties enthusiasts in Germany who relocate British mod style into the twenty first century Jenss examines the practices and experiences that are part of the sartorial remembering of the sixties from hunting flea markets and eBay to the affect of material and mediated memories on vintage wearers Jenss offers unique insights into the fashioning of time cultural memory and modernity tracing the history and current appeal of vintage in fashion and youth culture and asking what kind of experiences of temporality and memory are enacted through fashion How have evaluations of second hand clothes shifted in the twentieth century Fashioning Memory provides a unique insight into the diverse use of fashion as a memory mode and asks how style is remembered performed transformed and reinvested across time place and generation Studio Furniture of the Renwick Gallery Oscar P. Fitzgerald, 2019-01-01 Take a tour of the Renwick Gallery the craft division of the Smithsonian and enjoy an in depth look at the artists and the work of this unparalleled collection of handmade contemporary furniture This absorbing volume features profiles and interviews of 64 artists and reveals their artistic influences and interpretations along with 112 stunning photos of iconic work *Fashioning Submission* Silvia Vacirca, 2023-05-30 The behind the scene history of the fashion magazine Bellezza the Italian Vogue founded in 1941 has never been submitted to scholarly attention Its utopian function in defining a new culture of fashion and code of glamour contributed to the totalitarian project of building a new Italian woman The current volume fills this gap using the case *Fashioning Furniture* John Trigg, David Field, 1974 Brands and Branding Geographies Andy Pike, 2011-01-01 The volume edited by Andy Pike includes contributions by several leading figures in the study of brands places and place branding However this is not what makes the book a welcome addition to the literature What really makes the book interesting is actually the brave attempt to deal with an intrinsically difficult topic one that is rarely if ever explored the relationship between brands and branding with the places in and around which these operate Several facets of this relationship are explored in the book The book is introduced nicely by Andy Pike in a chapter that sets the scene and clarifies the intentions of the book I am glad the first book to handle these issues is on my shelves Mihalis Kavaratzis Regional Studies An incomparably rich trove of work on the multifarious and contradictory entanglements between space place and brand The volume helps us understand how and why places of origin play an ever greater role in the marketing of commodities even while corporations continue to seek placelessness in pursuit of the bottom line And it illuminates how and why entrepreneurial governments seeking to enhance global competitiveness increasingly turn to place branding at the

neighborhood urban and national scale even while launching rounds of restructuring that undercut the authenticity and viability of local identities A valuable and accessible contribution to the urban studies and cultural studies literature Miriam Greenberg University of California Santa Cruz US An important effort to pull together multidisciplinary research on the spatial dimensions of brands and branding in an international context John A Quelch Harvard Business School US Despite overstated claims of their global homogeneity ubiquity and contribution to flattening spatial differences the geographies of brands and branding actually do matter This vibrant collection provides a comprehensive reference point for the emergent area of brand and branding geographies in a multi disciplinary and international context The eminent contributors leaders in their respective fields present critical reflections and synthesis of a range of conceptual and theoretical frameworks and methodological approaches incorporating market research oral history discourse and visual analyses They reflect upon the politics and limits of brand and branding geographies and map out future research directions The book will prove a fascinating and illuminating read for academics researchers students practitioners and policy makers focusing on the spatial dimensions of brands and branding

A Cultural History of Dress and Fashion in the Modern Age Alexandra Palmer,2018-11-01 Over the last century there has been a complete transformation of the fashion system The unitary top down fashion cycle has been replaced by the pulsations of multiple and simultaneous styles while the speed of global production and circulation has become ever faster and more complex Running in tandem the development of artificial fibres has revolutionized the composition of clothing and the increased focus on youth sexuality and the body has radically changed its design From the 1920s flapper dress to debates over the burkini fashion has continued to be deeply involved in society s larger issues Drawing on a wealth of visual textual and object sources and illustrated with 100 images A Cultural History of Dress and Fashion in the Modern Age presents essays on textiles production and distribution the body belief gender and sexuality status ethnicity and visual and literary representations to illustrate the diversity and cultural significance of dress and fashion in the period

Design Management Robert Jerrard,David Hands,2013-08-06 Quantifying and assessing the value of an organization s design department can be problematic The tools traditionally used by auditors are usually insufficient to measure either the value of design projects or their influence within an organization This book demystifies the design development and design management process scrutinising it against a new set of auditing principles which illuminates its true value in a contemporary context Featuring a series of international case studies *Design Management Exploring Fieldwork and Applications* argues that assessment of the design function within any organization must incorporate both qualitative and quantitative research methods The book explores a number of key themes such as new product development risk in design and corporate identity Moreover by drawing on a range of techniques from the social sciences the authors rigorously develop means by which design may be understood accurately This book represents an important and timely contribution to our knowledge of the management of product and service innovation It will be an

invaluable text for students and researchers working in design and management **Thinking Through Fashion** Agnès Rocamora, Anneke Smelik, 2015-10-23 Learning how to think through fashion is both exciting and challenging being dependent on one's ability to critically engage with an array of theories and concepts This is the first book designed to accompany readers through the process of thinking through fashion It aims to help them grasp both the relevance of social and cultural theory to fashion dress and material culture and conversely the relevance of those fields to social and cultural theory It does so by offering a guide through the work of selected major thinkers introducing their concepts and ideas Each chapter is written by an expert contributor and is devoted to a key thinker capturing the significance of their thought to the understanding of the field of fashion while also assessing the importance of this field for a critical engagement with these thinkers ideas This is a guide and reference for students and scholars in the fields of fashion dress and material culture the creative industries sociology cultural history design and cultural studies **National Parent-teacher Magazine**, 1927 **The P.T.A. Magazine**, 1927 *Child-welfare Magazine*, 1927 *Fashion beyond Versailles* Donna J. Bohanan, 2012-06-04 As the epicenters of style and innovation the cities of Paris and Versailles dominate studies of consumerism in seventeenth century France but little scholarship exists on the material culture fashion and consumption patterns in the provinces Donna J Bohanan's *Fashion beyond Versailles* fills this historiographical gap by examining the household inventories of French nobles and elites in the southern province of Dauphin Much more than a simple study of the decorative arts *Fashion beyond Versailles* investigates the meaning of material ownership By examining postmortem registries and archival publications Bohanan reveals the social imperatives local politics and high fashion trends that spurred the consumption patterns of provincial communities In doing so she reveals a closer relationship between consumer behavior of Versailles and the provinces than most historians have maintained Far reaching in its sociological and psychological implications *Fashion beyond Versailles* both makes use of and contributes to the burgeoning literature on material culture fashion and consumption **Key Concepts in Economic Geography** Yuko Aoyama, James T Murphy, Susan Hanson, 2010-11-17 A comprehensive and highly readable review of the conceptual underpinnings of economic geography Students and professional scholars alike will find it extremely useful both as a reference manual and as an authoritative guide to the numerous theoretical debates that characterize the field Allen J Scott University of California Guides readers skilfully through the rapidly changing field of economic geography The key concepts used to structure this narrative range from key actors and processes within global economic change to a discussion of newer areas of research including work on financialisation and consumption The result is a highly readable synthesis of contemporary debates within economic geography that is also sensitive to the history of the sub discipline Sarah Hall University of Nottingham The nice thing about this text is that it is concise but with depth in its coverage A must have for any library and a useful desk reference for any serious student of economic geography or political economy Adam Dixon Bristol University Organized around 20 short essays

Key Concepts in Economic Geography provides a cutting edge introduction to the central concepts that define contemporary research in economic geography Involving detailed and expansive discussions the book includes An introductory chapter providing a succinct overview of the recent developments in the field Over 20 key concept entries with comprehensive explanations definitions and evolutions of the subject Extensive pedagogic features that enhance understanding including figures diagrams and further reading An ideal companion text for upper level undergraduate and postgraduate students in economic geography the book presents the key concepts in the discipline demonstrating their historical roots and contemporary applications to fully understand the processes of economic change regional growth and decline globalization and the changing locations of firms and industries Written by an internationally recognized set of authors the book is an essential addition to any geography student s library *Critical Craft* Clare M. Wilkinson-Weber, Alicia Ory

DeNicola, 2020-05-26 From Oaxacan wood carvings to dessert kitchens in provincial France *Critical Craft* presents thirteen ethnographies which examine what defines and makes craft in a wide variety of practices from around the world Challenging the conventional understanding of craft as a survival a revival or something that resists capitalism the book turns instead to the designers DIY enthusiasts traditional artisans and technical programmers who consider their labor to be craft in order to comprehend how they make sense of it The authors ethnographic studies focus on the individuals and communities who claim a practice as their own bypassing the question of craft survival to ask how and why activities termed craft are mobilized and reproduced Moving beyond regional studies of heritage artisanship the authors suggest that ideas of craft are by definition part of a larger cosmopolitan dialogue of power and identity By paying careful attention to these sometimes conflicting voices this collection shows that there is great flexibility in terms of which activities are labelled craft In fact there are many related ideas of craft and these shape distinct engagements with materials people and the economy Case studies from countries including Mexico Nigeria India Taiwan the Philippines and France draw together evidence based on linguistics microsociology and participant observation to explore the shifting terrain on which those engaged in craft are operating What emerges is a fascinating picture which shows how claims about craft are an integral part of contemporary global change The Furniture Trade Review and Interior Decorator ,1909 *The Illustrated London News* ,1919 **Cities and**

the Cultural Economy Thomas A. Hutton, 2015-08-27 The cultural economy forms a leading trajectory of urban development and has emerged as a key facet of globalizing cities Cultural industries include new media digital arts music and film and the design industries and professions as well as allied consumption and spectacle in the city The cultural economy now represents the third largest sector in many metropolitan cities of the West including London Berlin New York San Francisco and Melbourne and is increasingly influential in the development of East Asian cities Tokyo Shanghai Hong Kong and Singapore as well as the mega cities of the Global South e g Mumbai Capetown and S o Paulo **Cities and the Cultural Economy** provides a critical integration of the burgeoning research and policy literatures in one of the most prominent sub

fields of contemporary urban studies Policies for cultural economy are increasingly evident within planning development and place marketing programs requiring large resource commitments but producing on the evidence highly uneven results Accordingly the volume includes a critical review of how the new cultural economy is reshaping urban labour housing and property markets contributing to gentrification and to precarious employment formation as well as to broadly favorable outcomes such as community regeneration and urban vitality The volume acknowledges the important growth dynamics and sustainability of key creative industries Written primarily as a text for upper level undergraduate and Masters students in urban economic and social geography sociology cultural studies and planning this provocative and compelling text will also be of interest to those studying urban land economics architecture landscape architecture and the built environment

Trading Down Peter Gibbon,Stefano Ponte,2005-05-16 Africa s role in the global economy is evolving as a result of new corporate strategies changing trade regulations and innovative ways of overseeing the globalized production and distribution of goods both within Africa and internationally African participants in the global economy now faced with demands for higher levels of performance and quality have generated occasional successes but also many failures Peter Gibbon and Stefano Ponte describe the central processes that are integrating some African firms into the global economy while at the same time marginalizing others They show the effects of these processes on African countries and the farms and firms within them The authors use an innovative combination of global value chain analysis which links production trade and consumption and convention theory an approach to understanding the conduct of business In doing so Gibbon and Ponte present a timely overview of the economic challenges that lay ahead in Africa and point to ways to best address them Strategic Issues in International Retailing John Dawson,Roy Larke,Masao Mukoyama,2006-08-21 This significant book takes a strategic approach to international retailing examining in depth studies of several retailers and marrying theory with practice to clearly present material for students at every level *Winthrop Rockefeller: a Life of Change (c) ,*

The Top Books of the Year Fashioning Furniture The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous captivating novels enthralling the hearts of readers worldwide. Let's delve into the realm of bestselling books, exploring the fascinating narratives that have enthralled audiences this year.

The Must-Read : Colleen Hoover's "It Ends with Us" This poignant tale of love, loss, and resilience has gripped readers with its raw and emotional exploration of domestic abuse. Hoover masterfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can triumph.

Fashioning Furniture : Taylor Jenkins Reid's "The Seven Husbands of Evelyn Hugo" This captivating historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reid's compelling storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery.

Fashioning Furniture : Delia Owens' "Where the Crawdads Sing" This mesmerizing coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens weaves a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting.

These popular novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of captivating stories waiting to be discovered.

The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts.

The Secret History is a exceptional and suspenseful novel that will keep you guessing until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
