Some may read this book and find it straightforward and easy to comprehend; others may read this book with much incredulity and disbelief. This book, *My Little Garden of Eden*, was written to enlighten my brothers and sisters in Jesus Christ: you're my family and friends; we are all sons and daughters of the Most High; this book is for you. It is better to believe and have faith in something rather than not believe and have faith in nothing. In writing this book, *My Little Garden of Eden*, Junior Mendez ingeniously distinguishes between his human nature and the nature of his spirit. This book is a twofold autobiography of the spirit man and the fleshly man: one walked by faith and the other walked by sight. The internal spirit nature seeks after love, peace, and service to others, while human nature lusts after beauty, pleasure, and material wealth. Through faith and his intellectual awareness of a higher power, Junior Mendez became convinced that the spiritual mind is far superior to the carnal mind. The mind is spiritual, divine, and free will; the mind is susceptible to the influence of spiritual forces. The brain regulates the biological functions of the body; it processes complicated emotions, feelings, images, and a multiplicity of information simultaneously. The mind conceives thoughts and imaginations to vision and reason within our faith after hearing or reading the Word of the Sacred Scriptures. Faith brings hopes and dreams of a brighter future. Each of us shall experience the end of life in the flesh, but through faith, my spirit shall be a child in the kingdom of God. Unlike the brain, the mind is unseen; it cannot be touched or seen by human. Spiritual forces of the natural and supernatural world discreetly influence the conscious and subconscious mind.
