Effective Selfabertion:

Taking Control to Become Mega-Effective - 24/8 the Budo-Way Amit Offir, Eyal Nir, 2015-07-13 A must book for anyone wishing to take control over their life becoming Mega effective and able to create opportunities getting you ahead of your competition This is done in a very unique way harnessing and linking BuDo martial arts centuries long accumulated wisdom with contemporary experience based deep understanding of today s reality and market delivered to you in a clear concrete way through more than 60 methods techniques and examples you can actually apply taking control over your life The authors combine their long term global experience and proven success to guide you through the complex often challenging high paced 21st century reality enabling you to proactively take control over your life by becoming Mega effective After selling over a million books worldwide Amit Offir reveals and shares his experience based success secrets integrated throughout this book in a fascinating way with BuDo treasure of knowledge provided by sensei Nir to provide you with actual concrete and applicable tools for taking your life and success to the next level This book was written in order to help you become the most effective person you can be more accurate efficient and more professional It is designed to help you achieve your goals and break through barriers enabling you to position yourself in first place of every competition The book provides many effective methods and tools we actually employ and have helped us break records one after the other constantly becoming more effective and successful in conquering every mountain we wanted to climb While we cannot guarantee your achievements applying the ideas and methods presented in this book as such success depends on your persuasion and determination to implement the methods described finding out what exactly works for you we can certainly attest these principles have worked for us and for thousands who have experienced great results after attending our workshops and implementing our methods Consequently the book is organized in a modular way that allows you to test yourself and your conduct as you try applying each of the ideas methods presented constantly monitoring and enhancing your performance as you become more effective person achieving better results We hope this book will help you change your life and develop on a professional as well as personal level thus becoming a more capable person If you are holding this book in your hands we gather you are determined to learn how to further progress and advance in your life career and business endeavors We respect you for this regardless of the knowledge and experience you have managed to acquire so far One of the things you have probably already figured out is that the ability to learn is a virtue associated with successful people Without the ability to learn mankind would not have survived at all and we would have probably already been extinct millions of years ago This ability to explore and develop led mankind to unprecedented records that were broken time after time by using creative thinking belief research courage and initiative Without these qualities we would not have come to fly to the moon to invent the light bulb and to communicate with someone on the other side of the globe As social creatures the desire to help each other and assist by using the knowledge we have accumulated is apparently ingrained in us in the same way as a father desires to save his son

from the mistakes that he himself has experienced On the other hand the desire to learn and develop is ingrained also in people without experience who are constantly busy trying to prove that they are the ones who will succeed where others have been wrong and failed

Use Your Enemies Abdulrahman Ibrahim, 2018-09-25 Use Your Enemies The seven most effective strategies and lessons in personal change Sometimes it is not wise to eliminate your enemies Because with some smart tricks you can use them to your advantage When you read this book you will change your gaze towards your enemies you will use them and begin to see good things in bad things and the friend within each enemy Everything will make you feel pleasure even your pain and you will be able to say and do whatever you want whenever you want and wherever you want You will be great and you are going to be rich too
