**The Word was Made Flesh** Ralph Larson,1995 **The Book of Hebrews** George Wesley Buchanan,2006-07-17 How fitting it is that after some thirty five years since the appearance of his original Anchor Bible Commentary on Hebrews Professor George

Wesley Buchanan again turns his hand to this challenging document of early Christianity now as an intertextual commentary. Here he further elaborates upon his novel thesis that Hebrews 1:12 is a midrashic sermon based on Psalm 110, giving special attention throughout to its frequent use of scripture. The commentary in a way represents vintage Buchanan. It is at once fresh, bold, provocative, suggestive, learned, and filled with helpful insight. Buchanan is equally conversant with ancient sources and modern scholarship, including recent archaeology. His masterful knowledge of Judaism, displayed in many publications over the years, pays rich dividends in the commentary. Buchanan is never dull, never predictable. Never does one have the feeling that one is getting things second-hand; on the contrary, it is continually evident that one is reading the result of a direct, fresh encounter with the text. Above all, Buchanan does what he also asks his readers to do: Think for yourself. Knowledge, after all, will not progress if one accepts only traditional and settled opinions on everything. This is anything but just another commentary on Hebrews. It will engage and challenge readers as very few commentaries do. Therefore, I am happy to recommend it. Donald A. Hagner, George Eldon Ladd, Professor of New Testament, Fuller Theological Seminary.

*Daniel's 70th Week and the Mystery of Christ* Jeffrey Horton, 2017-06-13. Behold, I stand at the door and knock. If anyone hears My voice and opens the door, I will come in to him and dine with him, and he with Me. Rev. 3:20. Wouldn't it be great if you could open the door, invite Jesus into your home, and ask Him when He's coming back? All the confusion about the events surrounding Christ's return would vanish as He explains the Scriptures to you. You would have your own Emmaus Road journey. Like the apostles and first-century disciples, you could say that He opened the eyes of your understanding. That's exactly what this series does by unfolding in an easy-to-follow manner what God's Word shows us and what Jesus taught. Each of the three books focuses on three critical end-time revelations that open the door of our understanding surrounding the events of Christ's return. The New Testament apostles received these keys from Jesus Himself. Over the centuries, these revelations were lost or watered down, leaving us flustered and even fearful. That's not God's will. It's time to let the Word speak for itself with a message of comfort, hope, and victory. This second book in the Emmaus Road journey walks you through one of the most significant end-time prophecies in the Bible. You may be surprised to find that it is all about Christ's first and second comings, not the future Antichrist. Step by step, you'll see how this prophecy accurately predicted when Jesus would first appear as the Messiah, almost five hundred years in advance, foreshadowed the restful end to the need for sacrificial offerings through the death and resurrection of Jesus, and most importantly, predicts what Christ will accomplish when He comes again.

Word Study for Literacy Leaders Anne C. Ittner, Amy Frederick, Darl Kiernan, Donald R. Bear, 2023-08-22. Word study is an approach to teaching phonics, vocabulary, and spelling that is based on a developmental model described by Henderson and his students. Given the reciprocal nature between reading and writing, phonics, spelling, and vocabulary are integrated in instruction. Teachers understand that this word study approach integrates phonics, spelling, and vocabulary and have challenged us to share concrete examples of how teachers organize and implement word study and how literacy

educators in universities and school districts conduct professional learning for word study The primary goal then is to make word study work for our students The authors of each chapter show how literacy leaders and teacher educators guide others in a wide variety of educational settings Stories in this volume capture classroom conversations describe professional learning communities and present coaching scenarios that will resonate with reader s experiences     Noah and the Deluge: Chronological, Historical and Archaeological Evidence Gerard Gertoux,2015-10-19 Historians consider the biblical account of Noah and the Deluge as a myth However this famous event occurred at the earliest times of recorded history Sumerian King List Today scientists believe in the last ice age called Pleistocene ending in 10 000 BCE but there is no witness of this planetary cataclysmic event and its existence is based solely on the controversial interpretation of its consequences and their dating The existence of erratic blocks and the disappearance of mammoths are presented as evidence of the last glaciation However despite dating obtained by 14C calibrated by dendrochronology is considered absolute by most experts its confrontation with the Egyptian chronology in which some dates are fixed by astronomy reverses this widespread belief and shows that dates obtained by 14C increase exponentially before 2200 Thus the rate of 14C tends gradually to 0 around 3500 which implies an important consequence before 3500 14C dating is no longer possible     Today's Good Word Ethel Baldwin Sutton,1960
