**The London Gazette** Great Britain, *American Biography* Carl Rollyson, 2006-02-22 This collection of reviews selected from Rollyson s New York Sun column is as much about the romance of biography as it is about the American lives Certain concerns resonate throughout the book the American left s failure to reckon with Communist subversion McCarthyism and Stalinism the problematic nature of authorized biography the history of American biography definitive biographies literary biography the differences between autobiography and biography the importance of interviews in biographies of contemporary figures the differences between history and biography comparative biographies the virtues of short biographies and of biographies for children the tendency of biographers to fictionalize and of novelists to biographize psychology and biography Rollyson s own experience as a biographer and the way biographers treat one another s work Too many biographers he believes evince no interest in the biographical tradition Concerned only with possession of their subjects their proprietorial attitude deforms not only their biographies but also the genre itself If biography is reviewed badly receiving hardly more than a summary of the subject s life with a perfunctory nod to the biographer it is because the biographical tradition has been disregarded or discounted This book in other words has been written on the behalf of biography a genre that still awaits a full vindication "Nothing Is Worth More Than This Day." Kathryn Petras, Ross Petras, 2016-04-05 A book of inspirational quotations Nothing Is Worth More Than This Day presents hundreds of reminders from some of the smartest people who ever lived from Dr Seuss to Erma Bombeck Thich Nhat Hanh to Lena Dunham that happiness is everywhere and the glass is half full It s the perfect gift of optimism for good times and not so good times

**Day** Kenneth Goldsmith, 2003 Poetry I am spending my 39th year practicing uncreativity On Friday September 1 2000 I began retyping the day's NEW YORK TIMES word for word letter for letter from the upper left hand corner to the lower right hand corner page by page With these words Kenneth Goldsmith embarked upon a project which he termed uncreative writing that is uncreativity as a constraint based process uncreativity as a creative practice By typing page upon page making no distinction between article editorial and advertisement disregarding all typographic and graphical treatments Goldsmith levels the daily newspaper DAY is a monument to the ephemeral comprised of yesterday's news a fleeting moment concretized captured then reframed into the discourse of literature When I reach 40 I hope to have cleansed myself of all creativity Kenneth Goldsmith

**Doris Day** Eric Braun, 2010-12-30 An in depth and fascinating study of one of Hollywood's most popular icons fully updated and including previously unreleased pictures Doris Day is almost always portrayed as the sunny squeaky clean girl next door This wholesome image kept her at the top for twenty four years and thirty nine films But behind the effervescent ever cheerful image that Doris Day portrayed through dozens of classic Hollywood movies was an extraordinary story of private pain Her dazzling smile hid a tormented personal life that included four marriages and a terrifying accident that nearly ended her life And yet for generations of movie goers Doris Day remained the embodiment of innocent beauty and apple pie homeliness and even today she exerts a powerful fascination for millions of fans around the world

2012 exhibition George Bellows The volume offers innovative research that explores his oeuvre from multiple viewpoints The essays challenge widely held perceptions of Bellows such as his Americanness hyper masculinity patronage response to the World War I and his relationship to fellow artist Edward Hopper This is an essential collection for any serious study on Bellows work Elizabethan Naval Administration C.S. Knighton, David Loades, 2016-04-29 This is the first general selection from the substantial body of surviving documents about Elizabeth's navy It is a companion to The Navy of Edward VI and Mary I Vol 157 in the NRS Series where the apparatus serving both volumes was printed and it complements the other NRS volumes that deal specifically with the Spanish Armada This collection concentrates though not exclusively so on the early years of Elizabeth's reign when there was no formal war From 1558-1585 the navy was involved in a number of small scale campaigns pursuit of pirates and occasional shows of force The documents selected emphasize the financial and administrative processes that supported these operations such as mustering victualing demobilisation and ship maintenance and repair The fleet varied in size from about 30 to 45 ships during the period and a vast amount of maintenance and repair was required The main component of the volume is the massively detailed Navy Treasurer's account for 1562-3 which is followed by and collated with the corresponding Exchequer Account The documents illustrate just how efficiently the dockyards functioned They were one of the great early Elizabethan achievements This Day in American History Ernie Gross, 1990 This is a meat and potatoes reference work garnished only with a brief preface a one page bibliography and an index The text is organized by day of the month listing in chronological order events that occurred in American history This logical layout will make the book easy to use for librarians and patrons alike Entries are written in a telegraphic curt style that in some cases may require clarification The 70 page index is useful but flawed lacking comprehensiveness and containing some incorrect citations The Encyclopedia of American Facts Dates HarperCollins 1987 8th ed while less current is more thorough and better indexed for less money Recommended with reservations as a secondary source for public and school libraries James Moffet Baldwin P L Birmingham Mich Library Journal
