Edward J Dent Selected Essays:

Edward J Dent: Selected Essays Edward J. Dent, 2009-04-02 During his long career Edward Dent wrote on a variety of musical subjects ranging from substantial articles in the most learned journals to less weighty pieces in Radio Times This volume aims to reflect that variety Some of the articles are now of primarily historical interest others offer insights of a fundamental kind all are informed by Dent's witty and distinctive prose style In editing this collection Hugh Taylor has drawn on writings from 1903 to 1951 and included two pieces originally written in Italian and published here in English for the first time As well as providing footnotes which amplify certain of Dent's statements and draw attention to subsequent research Mr Taylor has listed sources for Dent's many textual references and quotations Brought together in this way Dent's learned but always readable criticism will appeal to the reader with a general interest in music as well as to the music student and specialist

Edward J Dent: Selected Essays Edward J. Dent, 1979 In editing this collection Hugh Taylor has brought together Dent's learned but always readable criticism *Selected Essays* Edward Joseph Dent, 1979 *Edward J. Dent* Karen Arrandale, 2023 This first full biography of Edward J Dent 1876-1957 covers not only his pioneering music scholarship and cultural activities but also his personal crusades on behalf of music and opera refugees and the culturally destitute Drawn from a wide variety of unpublished sources from behind Dent's carefully constructed public persona of a cosmopolitan gentleman scholar the picture emerges of a more complex and fascinating human being His seminal works remain fresh and vital and his writing hugely entertaining while his ideas on the importance of the arts in everyday life are as relevant as ever

Music History and Cosmopolitanism Anastasia Belina, Kaarina Kilpiö, Derek B. Scott, 2019-07-04 This collection of essays is the first book length study of music history and cosmopolitanism and is informed by arguments that culture and identity do not have to be viewed as primarily located in the context of nationalist narratives Rather than trying to distinguish between a true cosmopolitanism and a false cosmopolitanism the book presents studies that deepen understanding of the heritage of this concept the various ways in which the term has been used to describe a wide range of activity and social outlooks It ranges over a two hundred year period and more than a dozen countries revealing how musicians and audiences have responded to a common humanity by embracing culture beyond regional or national boundaries Among the various topics investigated are musical cosmopolitanism among composers in Latin America the Ottoman Empire and Austro-Hungarian Empire cosmopolitan popular music historiography cosmopolitan musical entrepreneurs and musical cosmopolitanism in the metropolises of New York and Shanghai Selected Essays on Opera Ulrich Weisstein, 2006 Ulrich Weisstein an international authority in the fields of comparative literature and comparative arts has been a pioneer paving the way for present day intermedia studies Among his broad intermedial interests opera has always held a central place For the first time this volume makes available his major contributions to opera criticism in compact form thus meeting a serious scholarly demand The necessarily stringent selection of essays from Professor Weisstein's large output on opera reflecting

fifty years of involvement with the genre is primarily governed by the wish to present texts that are representative of their author's work and at the same time are unlikely to be readily available through other channels. The fourteen essays collected are arranged in chronological order, some of them showing Ulrich Weisstein as an initiator of librettology, others tracing adaptive processes extending from textual sources to final operas or investigating writer-composer collaborations. Further topics are satirical reflections on operatic activities in early eighteenth-century Italy and practices of opera censorship, artist-operas or definitions of romantic and epic opera. The essays are written in an accessible, essentially non-technical language and are expected to make both a profitable and a pleasurable reading for literary scholars as well as musicologists and general art-lovers.

Music in the Seventeenth and Eighteenth Centuries Richard Taruskin, 2006-08-14. Music in the Seventeenth and Eighteenth Centuries, the second volume of Richard Taruskin's monumental history, illuminates the explosion of musical creativity that occurred in the seventeenth and eighteenth centuries. Examining a wealth of topics, Taruskin looks at the elegant masques and consort music of Jacobean England, the Italian concerto style of Corelli and Vivaldi, and the progression from Baroque to Rococo to romantic style. Perhaps most important, he offers a fascinating account of the giants of this period: Bach, Handel, Mozart, Haydn, and Beethoven. Laced with brilliant observations, memorable musical analysis, and a panoramic sense of the interactions between history, culture, politics, art, literature, religion, and music, this book will be essential reading for anyone who wishes to understand this rich and diverse period.

The Politics of Appropriation Jason Geary, 2014-01-03. The Politics of Appropriation uncovers a largely forgotten chapter in music history by considering the intersection of music and Hellenism in nineteenth-century Germany. While the influence of Greece on the literature, art, architecture, and philosophy of this period has been much discussed, its significance for music has received considerably less attention. Beginning in 1841 with Felix Mendelssohn's wildly popular score for the groundbreaking Prussian court production of Sophocles' *Antigone*, author Jason Geary draws on research from the fields of musicology, history, classical studies, and theater studies to explore the trend of combining music and Greek tragedy that also included productions of Euripides' *Medea*, Sophocles' *Oedipus at Colonus*, and Sophocles' celebrated *Oedipus the King* with music by Wilhelm Taubert, Mendelssohn, and Franz Lachner, respectively. Staged at royal courts in Berlin and Munich, these productions reflect an effort by the rulers who commissioned them to appropriate the legacy of Greece for the creation of a German cultural and national identity, while the music involved seemed to its contemporaries to mark the advent of an entirely new Romantic genre. By drawing a line between these compositions and Wagner's very different approach to recovering classical tragedy, Geary offers a reassessment of the composer's reception of the Greeks, highlighting the degree to which he was reacting against works such as Mendelssohn's *Antigone* when he called for the creation of a music drama rooted in the spirit of Attic tragedy. Geary further argues that Wagner's Ring cycle can be understood as the composer's attempt to reclaim the mythic significance of the *Oedipus* myth in the service of his own aesthetic aims. Placing these developments within the context of Germany's

longstanding obsession with Greece The Politics of Appropriation demonstrates the enduring significance of antiquity as a trope that helped to shape the European cultural and artistic landscape of the nineteenth century **Oxford History of Western Music** Richard Taruskin, 2009-07-27 The universally acclaimed and award winning Oxford History of Western Music by one of the most prominent and provocative musicologists of our time Richard Taruskin Now in paperback the set has been reconstructed to be available for the first time as individual books each one taking on a critical time period in the history of western music **Accenting the Classics** Deborah Mawer, Barbara L. Kelly, Rachel Moore, Graham Sadler, 2023 Brings new insights to the music of well known European composers by telling a fascinating little known story about French music publishing specifically through the lens of Jacques Durand's edition Classique French composers performers and musicologists acted as editors of eighteenth and nineteenth century European classics primarily for piano Among these editors were Faur Saint Saëns Debussy Ravel and Dukas the objects of their enquiries included core works by Rameau Bach Mozart Beethoven Mendelssohn Schumann and Chopin Presenting six composer editor case studies the volume shows that the French accent both musical and cultural upon this predominantly Austro German music was highly varied Editorial responses range from scholarly approaches to those directed by performance or compositional agendas and from pan European to strongly patriotic stances Intriguing intersections are revealed between old and new and between French and cross European canons Beyond editing the book explores the edition's role in pedagogy and performance including by pianists Robert Casadesu and Yvonne Loriod and in the reassertion of contemporary French composition especially regarding innovation around neoclassicism It will interest a wide readership including musicologists performers and concert goers cultural historians and other humanities scholars *Music and Postwar Transitions in the 19th and 20th Centuries* Anaïs Fléchet, Martin Guerpin, Philippe Gumpłowicz, Barbara L. Kelly, 2023-06-09 From the Napoleonic Wars to the genocide of the Tutsis in Rwanda via the great world conflicts of the 20th century Music and Postwar Transitions in the 19th and 20th Centuries is the first book to highlight the significance of postwar transitions in the field of music and to demonstrate the influence that musicians composers critics institutions and publics have had on the period that follows conflict Leading historians political scientists psychologists and musicologists explore the roles of music and culture in demobilization reconstruction memory reconciliation revenge and nationalist backlash Moving beyond the popular conception of music as an agent of peace this study reveals music's more complex and ambivalent role in the process of transition from war to peace *Unisa English Studies* University of South Africa. Department of English, 1983 *The Adelphi*, 1924 **The Publishers' Circular and Booksellers' Record**, 1925 *The London Mercury* Sir John Collings Squire, 1924 *The Nation and Athenæum*, 1910 **The New Statesman**, 1925 *The Spectator*, 1912 A weekly review of politics literature theology and art *The Regulation and Reform of Music Criticism in Nineteenth-Century England* Paul Watt, 2017-11-22 Music criticism in England underwent profound change from the 1880s to the 1920s It gave rise to New criticism that aimed

to be rational impartial and intellectually authoritative It was a break from the criticism of old the work of the opinionated journalist who wrote descriptive concert reviews with invective cliché bias and bombast Critics such as Ernest Newman 1868 1959 John F Runciman 1866 1916 and Michel D Calvocoressi 1877 1944 fostered this new school and wrote extensively of their aspirations for musical criticism in their own times and for the future This book charts the genesis of this new wave of musical criticism that sought to regulate and reform the profession of music critic Alongside the establishment of principles training manuals and schools for critics hundreds of journal articles and dozens of books were written that encouraged new criticism which also had a bearing on scholarly writing in biography aesthetics and history The Regulation and Reform of Music Criticism in Nineteenth Century England considers the influence and advocacy of individual critics and the role that institutions such as the Musical Association and the Musical Times played in this period of change The book also explores the impact that French and German writers had on their English counterparts demonstrating the internationalization of critical thought of the period The Saturday Review of Politics, Literature, Science and Art ,1925

Decoding **Edward J Dent Selected Essays**: Revealing the Captivating Potential of Verbal Expression

In an era characterized by interconnectedness and an insatiable thirst for knowledge, the captivating potential of verbal expression has emerged as a formidable force. Edward J Dent Selected Essays Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Edward J Dent Selected Essays PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to

personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Edward J Dent Selected Essays PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Edward J Dent Selected Essays free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Edward J Dent Selected Essays Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Edward J Dent Selected Essays is one of the best book in our library for free trial. We provide copy of Edward J Dent Selected Essays in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Edward J Dent Selected Essays. Where to download Edward J Dent Selected Essays online for free? Are you looking for Edward J Dent Selected Essays PDF? This is definitely going to save you time and cash in something you should think about.
