**Deep Preaching** J. Kent Edwards, 2009-08-01 J Kent Edwards recalls a story that late pastor J Vernon McGee told about seeing children in South

Africa playing a game of marbles in the dust with real diamonds The precious stones were being handled with no regard for their true worth Edwards fears the same thing happens today when preachers offer Scriptural truth to listeners without being completely overwhelmed by its greatness themselves in the process Deep Preaching is his call to rethink preaching Edwards helps preachers learn to preach the word in ways that will powerfully change the lives of hearers He contends that sermons need not settle comfortably on the lives of the listeners like dust on a coffee table He encourages preachers to join him in casting off the lines that moor their ministries to the status quo and make every effort to steer their preaching out of the comfortable shallows He urges them to preach deep sermons rather than superficial ones moving beyond the yawn inspiring to the awe inspiring from the trite to the transforming *The Zondervan 2007 Pastor's Annual* T. phenomenon inspired the integrated approach in this project Dr Eutsler has written a book on preaching that Pentecostal Charismatic pastors and ministers have needed for a long time Based on years of practical experience and sound scholarship it combines an emphasis on the guidance of the Holy Spirit along with long range planning After exploring the unique dynamics of Pentecostal preaching he discusses step by step how to increase their implementation on a more consistent basis This volume will benefit both beginning and veteran students of preaching It could easily be used personally or in a classroom setting Those preachers who read and implement its wise counsel will improve the quality creativity and variety of their preaching George O Wood General Superintendent of the Assemblies of God *Finding the Plot* Roger Standing,2012-03-16 Preaching at its best is truth on fire The real quality of this book is that it has been created from the author s own experience of the local pastorate and is concerned with practical insights and realities I warmly recommend it David Coffey Moderator of the Free Churches and General Secretary of the Baptist Union For some the phrase finding the plot suggests a stroll through a graveyard which is much like their view of preaching But Roger Standing uses the phrase to describe narrative preaching an approach that helps preachers accomplish their essential task to raise the dead Marshall Shelley Vice President Christianity Today International and editor of Leadership This book from a seasoned practitioner and an able thinker will provide the signposts required by many either for transforming their preaching style in mid career or for setting off on the right foot Nigel G Wright Principal of Spurgeon s College London Roger Standing breezily shares his enthusiasm for narrative preaching He combines theory about narrative and its cultural relevance with practical advice and preaching examples A helpful stimulus to any preacher to branch out into narrative preaching Michael Quicke Charles Koller Professor of Preaching and Communications **Grasping God's Word, Fourth Edition** J. **Finding Our Voice** Matthew D. Kim,Daniel L. Wong,2020-06-17 No one preaches in a cultural vacuum The message of what God has done in Christ is good news to all but to have the greatest impact on its hearers or even to be understood at all it must be culturally contextualized Finding Our Voice speaks clearly to an issue that has largely been ignored preaching to Asian North American ANA contexts In addition to reworking hermeneutics theology and homiletics for these overlooked contexts Kim and Wong include examples of culturally specific sermons and instructive questions for contextualizing one s own sermons Finding Our Voice is essential reading for all who preach and teach in ANA contexts But by examining this kind of contextualization in action all who preach in their own unique contexts will benefit from this approach      **Hear Her**

**Voice** Christine Redwood,2024-08-01 How does our gender impact our preaching Can women express anger in a sermon Why use a first person narrative sermon structure After preaching for several years Christine Redwood realized both her preaching role models and her theology had come predominantly from men so she spent the next six years researching feminist scholars and their readings of stories from the book of Judges In this accessible book she shares what she has learnt including sample sermons and exercises for preachers wanting to grow in their craft This is essential reading for preachers wanting to amplify marginal voices      **Recovering Storytelling for Ghanaian Preaching** Akwasi O. Ofori,2015-04-15 This

book explores the role narrative can play to renew preaching in Ghanaian congregations It does this by describing and classifying models of preaching in North America and applies those models to the Ghanaian situation carefully guarding against assuming that a western model can be adapted without question      **The Bible and Lay People** Andrew

Village,2016-03-23 There are many books about how people ought to interpret the Bible This book is about how people in churches actually interpret the Bible and why they interpret it in the way that they do Based on a study of Anglicans in the Church of England it explores the interaction of belief personality experience and context and sheds new light on the way that texts interact with readers The author shows how the results of such study can begin to shape an empirically based

theology of scripture This unique study approaches reader centred criticism and the theology of scripture from a completely new angle and will be of interest to both scholars and those who use the Bible in churches      **Why Did God Do That?** Matthew Tingblad,2023-09-12 If God is good then why did he do that Violent wars harsh laws pronounced judgments Christianity proclaims God s goodness yet the Bible is filled with passages that seem to paint a different picture On the surface such depictions can hinder our confidence in God s goodness But when we re willing to look deeper we discover a consistent purpose behind everything God does and that he is greater than we could ever imagine Alongside bestselling author Josh McDowell Matthew Tingblad invites you to discover how a good God has good reasons for his challenging actions in the Bible Throughout you will uncover the reality of God s consistent motives and purposes holiness justice and radical mercy Whether you have your own questions about God or are ministering to those who do Matthew and Josh will guide you through these difficult passages and ideas all the while pointing to God s power and redeeming love Find confidence and joy in discovering that God is good always good even in the passages of Scripture that appear to convey otherwise      *Read Me Like a Book* Jason Cusick,2014-06-05 Many pastors feel overwhelmed and ill equipped to deal with the counseling issues in their congregations But pastors are actually better equipped for counseling than they realize Hermeneutics homiletics pastoral care and counseling all share a common foundation in the field of interpretation With this book pastors can learn to interpret people with the same expertise they use to interpret Scripture Read Me Like a Book offers a simple practical and theoretically sound approach to help pastors leverage their exegetical skills to improve their pastoral counseling      **American Book Publishing Record** ,2005      Homilética bíblica Alfonso Roper,2015-09-01 Adem s de un estudio b blico pormenorizado de Alfonso Roper de todo lo que tiene que ver con la homil tica y de los diversos aspectos b blicos personales y eclesiales de la predicaci n se incluyen estudios de relevantes hombres de Dios que esclarecen puntos vitales de la predicaci n
