Effective Police Administration Harry W. More,1979 **Selected Readings in Law Enforcement Management**,1986 *Effective Police Organization and Management* Gerald Douglas Gourley,California State College, Los Angeles. Department of Police Science and Administration,1967 **SNI National Criminal Justice Reference Service (U.S.)**,1979 *FBI Law Enforcement Bulletin* ,1990 Law and Order Training for Civil Defense Emergency International Association of Chiefs of Police. Technical Research Services Divisions,1976 *FBI Law Enforcement Bulletin* United States. Federal Bureau of Investigation,1935 **Police Manpower Management** Ronnie Mills,1980 **Behavioral Approaches to Crime and Delinquency** Edward K. Morris,Curtis J. Braukmann,2012-12-06 The systematic application of behavioral psychology to crime and delinquency was begun only 20 years ago yet it has already contributed significantly to our practical knowledge about prevention and correction and to our general understanding of a pressing social problem In this handbook we review and evaluate what has been accomplished to date as well as what is currently at the leading edge of the field We do so in order to present a clear comprehensive and systematic view of the field and to promote and encourage still more effective action and social policy reform in the future The chapters in this text have been written by professionals who were among the original innovators in applying behavioral psychology to crime and delinquency and who continue to make critical contributions to the field's progress and by a new generation of energetic young professionals who are taking the field in important and innovative directions The contributors have attempted to review and evaluate their areas with critical dispassion to provide thorough but not overly specialized discussion of their material and to draw implications for how research application and social policy might be improved in the future For our part as editors we have tried to foster integration across the chapters and to provide background and conceptual material of our own Principles of Leadership and Management in Law Enforcement Michael L. Birzer,Gerald J. Bayens,Cliff Roberson,2012-06-18 Effective police organizations are run with sound leadership and management strategies that take into account the myriad of challenges that confront today's law enforcement professionals Principles of Leadership and Management in Law Enforcement is a comprehensive and accessible textbook exploring critical issues of leadership within police agencies **Police Work Scheduling** William W. Stenzel,R. Michael Buren,1986 **Effective Police Supervision** Harry W. More,Larry S. Miller,2014-02-13 Good police officers are often promoted into supervisory positions with little or no training for what makes a good manager *Effective Police Supervision* is a core text used in college level classes on supervisory practices in criminal justice This popular book combines behavioral theory with case studies that allow the reader to identify and resolve personal and organizational problems It provides readers with an understanding of the group behaviors and organizational dynamics with a focus on effectiveness as well as proficiency and on how a supervisor can help to create an effective organization This book is also a vital tool in the preparation of police officers for promotional exams This revised and updated edition includes

new material throughout on police accountability police involvement with news media dealing with social media and avoiding scandals Each chapter includes important key terms and opens with a case study to illustrate important concepts
