Reading the Garden Katie Holmes,Susan K. Martin,Kylie Mirmohamadi,2007-05-28 Whether a small plot in the backyard of an inner urban home or a capital city s sprawling botanic garden Australians have long desired a patch of dirt to plough or enjoy Reading the garden explores our deep affection for gardens and gardening and illuminates their numerous meanings and uses from European settlement to the late twentieth century Cover Lady Gardeners Francesca Orestano,Michael Vickers,2023-10-12 The Lady Gardeners are those women who from the eighteenth century to the present day have been working in a garden from imagining and creating it to sowing planting pruning painting and photographing plants and moving from garden design to more urgent themes such as landscape conservation and environmental issues

The Old Country George Seddon,2005-10-04 We are a nation of gardeners and we take pleasure in tending our backyards But this pleasure sits uneasily with our knowledge that the places where most of us live are running out of water We suspect that our lawns and many of our plants from the damp climates of northern European gardens are too demanding of scarce supplies but can t imagine our streets and gardens without them The Old Country opens our eyes and minds to other possibilities It does so by telling us stories about our natural landscape George Seddon believes that the better we understand the delicacy and beauty of our natural environment the more at home we will feel as Australians This passionate wise and witty book enriched with breathtakingly beautiful illustrations suggests that the answers to our water problems lie here at home A History of European Housing in Australia Patrick Troy,2000-06-22 This collection of essays first published

in 2000 was the first systematic attempt to explain the social administrative technical and cultural history of European housing in Australia Written by a collaborative team of scholars from a wide range of disciplines it explains how Australian housing has evolved from the ideas brought by the first settlers and what makes Australian housing distinctive in social terms This book covers a broad range of topics including the ways in which houses reflect social values and aspirations the relationship between houses and gardens the home as a site of domestic production and consumption and an exploration of how housing provides the basis for developing a sense of community The book will be invaluable for students of urban affairs and those engaged in housing and the design professions as well as policy makers and analysts in the public and private sectors

A Garden of My Own Louise Earwaker,Neil Robertson,2003 45 Australian gardeners share their stories of passion and persistence in creating their own special places Previously published as the coffee table book The Open Garden

Gardens take many forms and have a variety of functions. They can serve as spaces of peace and tranquility, a way to cultivate wildlife or as places to develop agricultural resources. Globally, gardens have inspired, comforted and sustained people from all walks of life and since the Garden of Eden many iconic gardens have inspired great artists, poets, musicians and writers. In this Very Short Introduction, Gordon Campbell embraces gardens in all their splendour, from parks and fruit and vegetable gardens to ornamental gardens, and takes the reader on a globe-trotting historical journey through iconic and cultural signposts of gardens from different regions and traditions. Ranging from the gardens of ancient Persia to modern day allotments, he concludes by looking to the future of the garden in the age of global warming and the adaptive spirit of human innovation.

ABOUT THE SERIES: The Very Short Introductions series from Oxford University Press contains hundreds of titles in almost every subject area. These pocket-sized books are the perfect way to get ahead in a new subject quickly. Our expert authors combine facts, analysis, perspective, new ideas and enthusiasm to make interesting and challenging topics highly readable.

The Garden of Ideas Richard Aitken, 2010. The Garden of Ideas tells an inspiring and engaging story of Australian garden design. From the imaginings of emigrant garden makers of the late eighteenth century to the concerns of twenty-first century gardeners, this book charts its way across four centuries through a handsome and satisfying fusion of images and text. The Garden of Ideas is embellished with an unparalleled array of images, paintings, drawings, prints, plans and photographs, each richly evocative of their time and most never previously published. Unearthed from around Australia and many from overseas, these images carry the story of Australian garden style down the years in the process criss-crossing social and cultural history across the wide extremes of our continent. Richard Aitken, whose book *Botanical Riches* was published in 2006 to popular and critical acclaim, brings a lifetime of experience to *The Garden of Ideas*. He achieves fresh insights and presents our passion for garden making with wit and flair. *The Garden of Ideas* is a valuable source book for the sophisticated gardener and an indispensable companion for the garden lover.
