Education For Librarianship And Information Science In Africa:

Education for Librarianship and Information Science in Africa Michael Wise, 1999 **Global Library and Information Science** Ismail Abdullahi, 2009-05-05 This book presents international librarianship and library science through insightful and well written chapters contributed by experts and scholars from six regions of the world The role of public academic special school libraries as well as library and information science education are presented from the early development to the present time Its lively readable approach will help the reader to understand librarianship in Africa Asia Australia and New Zealand Europe Latin America and the Caribbean the Middle East and North America Edited by Ismail Abdullahi Professor of Global Library and Information Science this book is a must read by library science students and teachers librarians and anyone interested in Global Librarianship **Library and Information Science in the Middle East and North Africa**

Amanda B. Click, Sumayya Ahmed, Jacob Hill, John D. Martin III, 2016-07-11 This volume offers up to date insights into the state of library and information science LIS in the Middle East and North Africa Covered topics include information literacy intellectual property LIS education and research publishing and more This timely contribution thus presents vital areas of research on a region that receives relatively little coverage and is currently experiencing rapid and significant changes

Educating the Profession Michael Seadle, Clara M. Chu, Ulrike Stöckel, Breanne Crumpton, 2016-07-11 Education and training for the library profession have changed over the decades and this publication looks both at the past and the future of these developments at schools of library and information science as well as the role of IFLA's Section on Education and Training The chapters cover regional developments in Europe Asia Africa Australia and the Americas special topics such as quality assurance and case studies and future considerations in LIS education *A History of Modern Librarianship* Pamela Spence Richards, Wayne A. Wiegand, Marija Dalbello, 2015-05-26 A broad comparative history of librarianship this intriguing work goes beyond the standard focus on institutions and collections to help you explore the part modern librarianship played and continues to play in forming Western cultures Previous histories of libraries in the Western world the last of which was published nearly 20 years ago concentrate on libraries and librarians This book takes a different approach It focuses on the practice of librarianship showing you how that practice has contributed to constructing the heritage of cultures To do so this groundbreaking collection of essays presents the history of modern librarianship in the context of recent developments of the library institution professionalization of librarianship and innovation through information technology Organized by region the book addresses the widely recognized international impact of Anglo American librarianship and its continuing influence over the past century combining critical analysis with chronological histories of modern librarianship in Europe North America Australia New Zealand and Africa An introductory chapter explains the origins of the project and a concluding chapter examines the effects of digitization on modern librarianship in the 21st century Library and Information Science in the Middle East and North Africa Amanda B. Click, Sumayya Ahmed, Jacob Hill, John D. Martin III, 2016-07-11 This volume offers

up to date insights into the state of library and information science LIS in the Middle East and North Africa Covered topics include information literacy intellectual property LIS education and research publishing and more This timely contribution thus presents vital areas of research on a region that receives relatively little coverage and is currently experiencing rapid and significant changes

LIS Education in Developing Countries Ismail Abdullahi, C. R. Karisddappa, A. Y. Asundi, 2014-08-27 The book contains relevant subjects and topics that address the future of LIS education in the developing world of Africa Asia and Latin America Since last two decades the profile of LIS education and their content are on the constant and persistent changes LIS education is facing a fabulous task of managing and preparing future generation of library and information professionals

Managing Digital Records in Africa Mpho Ngoepe, 2022-05-23 Managing Digital Records in Africa draws on the research work of the InterPARES Trust ITrust project that investigated interrelated archival issues focusing on legal analysis infrastructure trust authentication and education within the African context This research focused book provides a legal analysis and systematic assessment of how African institutions manage digital records in four countries i e Botswana Kenya South Africa and Zimbabwe It also examines the extent to which records are managed using Internet based applications trust in such records and digital record authentication to support the auditing process Finally it provides a curriculum analysis in digital records at institutions of higher learning in 38 African countries The book s case studies illustrate the threads of discussion which span the ITrust domains of legislation infrastructure authentication trust and education in archives and records management The book can be used as a premier reference source by private and public organizations researchers educators archivists records managers and postgraduate students to make informed decisions about digital records records management systems cloud based services authenticating records and identifying universities on the continent that offer archival programmes The book may also find expression to practitioners in other fields such as law and auditing

Journal of Education for Library and Information Science, 1999

Resources in Education, 2000-10
