Wallack, 2017-06-01 Essays are central to students and teachers development as thinkers in their fields In *Crafting Presence* Nicole B Wallack develops an approach to teaching writing with the literary essay that holds promise for writing students as well as for achieving a sense of common purpose currently lacking among professionals in composition creative writing and literature Wallack analyzes examples drawn primarily from volumes of *The Best American Essays* to illuminate the most important quality of the essay as a literary form the writer's presence She demonstrates how accounting for presence provides a flexible and rigorous heuristic for reading the contexts formal elements and purposes of essays Such readings can help students learn writing principles practices and skills for crafting myriad presences rather than a single voice *Crafting Presence* holds serious implications for writing pedagogy by providing new methods to help teachers and students become more insightful and confident readers and writers of essays At a time when liberal arts education faces significant challenges this important contribution to literary studies composition and creative writing shows how an essay centered curriculum empowers students to show up in the world as public thinkers who must shape the knowledge economy of the twenty first century *Reading for Preaching* Cornelius Plantinga, Jr., 2013-11-30 In *Reading for Preaching* Cornelius Plantinga makes a striking claim preachers who read widely will most likely become better preachers Plantinga himself a master preacher shows how a wide reading program can benefit preachers First he says good reading generates delight and the preacher who enters the world of delight goes with God Good reading can also help tune the preacher's ear for language his or her primary tool General reading can enlarge the preacher's sympathies for people and situations that she or he had previously known nothing about And above all the preacher who reads widely has the chance to become wise This beautifully written book will benefit not just preachers but anyone interested in the wisdom to be derived from reading Works that Plantinga interacts with in the book include *The Kite Runner* by Khaled Hosseini *Enrique's Journey* by Sonia Nazario *Silence* by Shusaku Endo *How Much Land Does a Man Need* by Leo Tolstoy *Narcissus Leaves the Pool* by Joseph Epstein *Les Misérables* by Victor Hugo and many more **Reading Myself**
