Though ostensibly styled as a children's book *The Little Prince* makes several observations about life and human nature. For example, Saint-Exupéry tells of a fox meeting the young prince during his travels on Earth. The story's essence is contained in the lines uttered by the fox to the little prince: "On ne voit bien qu'avec le cœur. L'essentiel est invisible pour les yeux. One sees clearly only with the heart. What is essential is invisible to the eyes." Other key thematic messages are articulated by the fox, such as "Tu deviens responsable pour toujours de ce que tu as apprivoisé. You become responsible forever for what you have tamed" and "C'est le temps que tu as perdu pour ta rose qui fait ta rose si importante. It is the time you have lost for your rose that makes your rose so important." The fox's messages are arguably the book's most famous quotations because they deal with human relationships.

The Little Prince Antoine De Saint, 2001-01. Moral allegory and spiritual autobiography. *The Little Prince* is the most translated book in the French language. With a timeless charm, it tells the story of a little boy who leaves the safety of his own tiny planet to travel the universe, learning the vagaries of adult behaviour through a series of extraordinary encounters. His personal odyssey culminates in a voyage to Earth and further adventures. Letter to a Hostage, which contains certain themes that were to appear in *The Little Prince*, is Saint-Exupéry's optimistic and humane open letter to a Jewish intellectual hiding in occupied France in 1943.
