allegory of Saint Exupéry's own life his search for childhood certainties and interior peace his mysticism his belief in human courage and brotherhood but also an allusion to the tortured nature of their relationship Though ostensibly styled as a children's book *The Little Prince* makes several observations about life and human nature For example Saint Exupéry tells of a fox meeting the young prince during his travels on Earth The story's essence is contained in the lines uttered by the fox to the little prince On ne voit bien qu'avec le cœur L'essentiel est invisible pour les yeux One sees clearly only with the heart What is essential is invisible to the eyes Other key thematic messages are articulated by the fox such as Tu deviens responsable pour toujours de ce que tu as apprivoisé You become responsible forever for what you have tamed and C'est le temps que tu as perdu pour ta rose qui fait ta rose si importante It is the time you have lost for your rose that makes your rose so important The fox's messages are arguably the book's most famous quotations because they deal with human relationships
