patterns the ways in which ancient people distributed themselves across a natural and cultural landscape provide the central theme for this long overdue update to our understanding of the Mexican Gulf lowlands Olmec to Aztec offers the only recent treatment of the region that considers its entire prehistory from the second millennium B C to A D 1519 The editors have assembled a distinguished group of international scholars several of whom here provide the first widely available English language account of ongoing research Several studies present up to date syntheses of the archaeological record in their respective areas Other chapters provide exciting new data and innovative insights into future directions in Gulf lowland archaeology Olmec to Aztec is a crucial resource for archaeologists working in Mexico and other areas of Latin America Its contributions help dispel long standing misunderstandings about the prehistory of this region and also correct the sometimes overzealous manner in which cultural change within the Gulf lowlands has been attributed to external forces This important book clearly demonstrates that the Gulf lowlands played a critical role in ancient Mesoamerica throughout the entirety of pre Columbian history

**The Merchants' and Tourists' Guide to Mexico** Charles W. Zaremba, 1883 *The A to Z of Ancient Mesoamerica* Joel W. Palka, 2010-04-01 Ancient Mesoamerica drew world interest in the 19th century when photographs drawings and descriptions of discoveries of ruined cities in exotic locations in Mexico and Central America were published These accounts from early explorers archaeologists and travelers made the cultures and archaeological sites of ancient Mesoamerica including the Olmec Maya Aztec Mixtec Tarascan Toltec Zapotec and other civilizations a major focus of intensive research public and private funding and lay interest The A to Z of Ancient Mesoamerica covers some of the major discoveries throughout ancient Mesoamerica from the last 100 years The results of previous and continuing research and explorations plus recent interpretations of ancient cultures and new work at archaeological sites in Mesoamerica are summarized here Included in this volume are information and insights on archaeological sites material culture social and economic organization religion and belief systems and the social history of ancient Mesoamerica The entries contain geographical chronological historical and interpretive data that serve as a condensed and accessible resource of reference material Also presented here are select historical personages of ancient times and some brief notes on their lives and accomplishments taken from hieroglyphic texts painted books or codices and written documents and oral histories from the colonial period With a bibliography and chronology this text will be the perfect starting point for high school or undergraduate research and a helpful ready reference for more experienced scholars

**Memory Traces** Cynthia Kristan-Graham, Laura M. Amrhein, 2015-10-15 In Memory Traces art historians and archaeologists come together to examine the nature of sacred space in Mesoamerica Through five well known and important centers of political power and artistic invention in Mesoamerica Tetitla at Teotihuacan Tula Grande the Mound of the Building Columns at El Tajín the House of the Phalli at Chichén Itz and Tonina contributors explore the process of recognizing and defining sacred space how sacred spaces were viewed and used both physically and symbolically and what theoretical approaches are most useful for art historians and archaeologists seeking to understand these places Memory Traces acknowledges that the creation use abandonment and reuse of sacred space have a strongly recursive relation to collective memory and meanings linked to the places in question and reconciles issues of continuity and discontinuity of memory in ancient Mesoamerican sacred spaces It will be of interest to students and scholars of Mesoamerican studies and material culture art historians architectural historians and cultural anthropologists
