Going Through God

Conte Morgan Terrell

Going Through God:

Going Through God Betty Wall, 2006-04-01 Going Through God is a book of inspired writing to uplift us in our daily lives. It is written like poetry describing our relationship to the natural world. It calls us to heal ourselves, awake to our environment, and be at peace. **Surrender, Going Through God's Providential Love and Care...**, **Going Through Hell Into**

God's Grace Dennis McQuaig, 2023-12-28 The book was written about my life that covers all the bad things I went through and bad things I did. It covers things about the military and the prison he worked in and the life that inmates go through, including his time working on death row and how execution is carried out in the state of Florida. It also covers his time when he also became an inmate himself. Wanted to write about what happens when a person comes out the system and how going through hell doesn't mean that you can't receive God's Grace. This book is about a journey that many others have gone through but don't want to change because they live in the past and blame the past for their own actions. Anyone can obtain God's Grace; it is free. God sent His son to die for everyone so that we may have His Grace through Him. **Going Through**

the Storms of Life with God's Grace and Mercy Charles Alexander, 2022-08-17 I committed my life to Christ as a teen. I can remember attending a revival at my church. My church was Zion Temple First Pentecostal Church at that time. My bishop was Bishop Jasper J. Phillips. That night I was so moved by what I heard I decided to give my life to Christ. I can look back now and it was the best decision that I made to date. I started on my journey to live for Christ. I was in the choir. I joined the Bible Bowl Team where we studied certain topics and themes from the Bible. I also entered a biblical essay contest. I won an award for my entry. I want to note that the Bible Bowl and essay contest were part of the International Young People's Pentecostal Assembly of the World. This is where each church in our district competed against each other. These were friendly competitions. This was very helpful in learning and understanding God's word. In this competition we had great spirit-filled coaches and counselors who encouraged us to study. **Where God's People Are Going, Life Giving Messages** Lyle

McTeer, 2012-10-11 For many years the church has prayed for revival to come, never knowing or understanding how God might answer that prayer. Today we are witnessing the greatest shaking that we have ever known and on a world-wide scale. As financial institutions become bankrupt and many lose jobs, land, and homes, the awakening that we once prayed for has come. Everything that can be shaken is, and this scenario is causing even the weakest links within the soul of man to rise up as God becomes our only hope. But what will become of it all and how will we survive? Where God's People are Going is like an oracle from the Lord. He tells us in His word that My sheep hear My voice and I know them and they follow Me. John 10:27. Until we come to know the Lord's voice, our relationship and our knowledge of Him is vague at best. The life-giving messages in this book are just that: messages that bring life to dark situations and answers to life's questions about today and what is yet to come. My questions to the Lord often reflect the times in which we live as I ask the simple question why. Let Go and Live by God's Grace Mary H. Jackson, David L. Jackson, 2009 **When God Says NO, Let it Go!** Betty Jean

Lathan,2013-05-20 Betty Jean Lathan has published five children s books and has published her first Christian book which speaks to those who have experienced world s trials that will cause one to question Why Me Lord After being married to the late Rev Robert Lathan for 33 years God tested her faith by calling him home after a three year battle with multiple myeloma cancer The book details his and her strength as they watched loved ones leave this world and the God and satan will test your faith through problems in your marriage through drugs alcohol and yes even through your enemies and loved ones It encourages you to stay strong and stay in the word of God by constantly talking to Him and trusting him All of us will have tests during this journey in life and we must be ready for all types of tests and when you feel that you will fail God tells us to hold on and keep the faith because the race is not given to the swift and the strong but it is given to the one that can endure to the end *My Time Alone With God* Dr. Alfredo Noble,2015-05-08 A prayer devotional that brings you into the face of God daily using the bible for scriptural reference to communicate and express your love day by day 30 days of devotional

HOW TO USE GOD'S LIFETIME WARRANTY IN YOUR MARRIAGE Dr. Amos Adeniyi,2014-08-28 The idea to write fictional letters to marital couples on how to use God s lifetime warranty on their marriages came into being in the process of a sermon preparation as a guest pastor for a local church in November 2011 I prayed about which message to deliver for many days About two days before Sunday I had a dream that a young lady participated during my sermon After the sermon her family greeted me well and said I made her speak in public for the first time and I gave her the encouragement that she needs for the rest of her life Then I woke up On the actual Sunday service during the sermon I asked the congregation how many of them had a dog or a cat A young lady a 17 year old said she had a cat I asked if she ever took her cat for a walk she said no I asked why not She replied Nobody does Then I said people take their dogs for walks but this does not mean that dogs are more important or better than cats Cats have their own usefulness God who created us knows that we are not the same and that we cannot function in the same way One should not be boasting that s he is better than the other After the service the grandfather of the cat owner who spoke during my sermon and her aunt came to me and thanked me for the opportunity given to the young lady to talk for the first time in public which would enable her to express herself publicly When I was praying at home after the sermon I had the feeling that God wanted me to tell people to try out what seems to be unusual for them It has been my concern for many years that many couples don t take their wedding vows seriously It is affecting children a great deal many children have two or three stepparents Those children without stepparents seem to be the odd ones among their peers In Canada about 50% of first marriages may likely end up in divorce One may presume that the rate of divorce in second marriages would be lower but instead it is higher at 72% while third marriages have the highest divorce rate of 85% Comparative Annual Divorce Rate in Canada Similarly in America the first marriage divorce rate ranges from 41 50% second marriage divorce rate is between 60 67% and third marriage is between 73 74% Information on Divorce Rate and Statistics This book is fictional The stories are not real stories They are about my past experiences with

heterosexual couples in my counseling or pastoral care I do not have a particular person or couple in mind No names in the book are real names If anybody's name or any couples have the same names as used in the book I would like them to know that I am not telling their particular story or using them as an example The Holy Spirit inspired the writers of the bible stories instructions messages and the same Holy Spirit is still talking to us today I believe I was inspired to write the book I will encourage anyone or couple whose story or stories are similar to what's in the book not to be too critical but to take it the book as a means through which God is speaking to them to change No marriage is too bad that God cannot change for better Don't fold your arms and accept your troubled marriage as a done deal I will advise the readers to call upon the author of marriage God through Jesus Christ to fix their marriages He is able Since the idea of letter writing is becoming obsolete one may be wondering why letters to marital couples and not email text or any other modern means of communication Letter writing is an old form of communication which is to inform correct and educate In the New Testament there are many letters written by Paul the apostle and others to individuals and churches to deal with issues circumstances and problems faced by the recipients We never read about their responses or their initial letters to the Apostles Similarly only letters written to the couples are featured in this book Most of the Letters in this book are long term correspondence with the imaginary couples The objectives of the letters are to 1 Encourage couples not to give up on their dream of having a successful marriage and to continue fighting until the victory is won 2 Enable the counsellors pastors to keep their counselees hope alive as long as they are still interested in counselling 3 Help families and friends to keep on supporting the couples in crises Note that some of the letters end with prayer while some didn't The idea is we don't have to impose prayer on people Praying with people is as important as praying for people in absentia We need permission to pray with people but we don't need permission to pray for people while they are not there In both my pastoral and counselling ministries the most prevalent issues are marriage and family matters This book thus serves as a handbook to help couples in crises or prevent couples from getting into a marital mess It can be used in marriage enrichment groups or as a counsellor Pastor's handbook The group Leaders Counsellors or Pastors should not use the book as a weapon of judgment against anyone but as a means of correction and education The book is calling people who just want a family and not a marriage Many couples lose love in their marriages Love is the greatest gift God gives to people but many people do not accept it They choose anger instead of peace or love from God The book is calling the readers who are making wrong decisions for wrong reasons We should not let bitterness anger frustration alcohol drugs etc ruin our marital relationships The principles of marital solutions in the book focus on God May God bless you as you read it Shalom

Animals as Seen Through God's Eyes Dwila R. Funk, 2014-06-30 Have you ever wondered what happens to your beloved pet when he or she dies Will you ever be able to see him or her again in heaven Or have you been plagued by the disturbing thought that animals are only here on earth for our enjoyment in this life but when they die that is it for them and they are gone forever This haunted me for decades until I finally got up enough courage to seek out

the truth for myself I went to the word of God to conduct my own research This book is the result of my quest to find the truth about how God really sees animals and His plan for them I was astounded by the wealth of information that God shares in the Holy Bible regarding animals The answers are there hidden in His word All anyone needs to do is look

Trust Larry W. Ellis, 2010-08-18 Trust is vital for living in these days I believe the sin of mistrusting God is the fountainhead of our modern malaise Imagine that God desires to take us humans to the place where each of us desires to go the place of trust The promises connected to trusting God are both innumerable and immeasurable I write this volume in hopes of spurring the believer who has settled for an uneventful life while claiming love and allegiance to the Lord I am in hopes that the person who is just going through the motions of religious life can catch a glimpse of what God has in store for him or her Most of us really think we are trusting God when in fact we are leaning on our own understanding This book will teach you the benefits and blessings of trusting God Larry Ellis from the Introduction

Michele Pinkney,2012-07-18 The purpose of this book is to experience and gain revelation concerning the faithfulness of God and the power of his Holy Spirit once we get into the word of God and set time aside with prayer fasting with praise and worship We must understand that God has a purpose and a plan for our lives but in order to know what that is we must get to know him and allow the worries of our lives to be turned over to God and allow the Holy Spirit to come in and comfort us and the blood of Jesus to cleanse us from our sins This book allows us to know that we are in a time where we are crying out to God concerning our health wealth and relationships these areas of our life is being attacked by the enemy and sometimes it may seem as if God is not responding to our cries The Holy Spirit is a part of our lives and he is there to intercede for us when we do not know what to say concerning our live issues Praying in our heavenly language daily and meditating on the word of God is a way that God can and will answer us when we call upon him When we are feeling left alone with sickness and disease plaguing our body and there seems to be no relief in sight for us God is our relief and the answer to the sickness and disease health wealth and relationship issues that we face through the blood of Jesus We must spend time in the word of God in order to build up our knowledge of Jesus and his promises to those that believe in him The word of God will give us revelation concerning what is required in order for us to be healed delivered and to be set free from sins and all other issues that are affecting our lives family and health Jesus promised us that greater works we should do In order for us to know our inheritance through the blood of Jesus and obtain results we must know and have a relationship with the Holy Spirit which means speaking in our heavenly language at all times Jesus loves us and his promises are sure tap into the realm of the supernatural through prayer in the Holy Spirit Call Me Black Queen Prudence N.
