Gold Days Owen Cochran Coy, 1929 **Roaring Camp: The Social World of the California Gold Rush** Susan Lee Johnson, 2000-12-17 Winner of the Bancroft Prize The world of the California Gold Rush that comes down to us through fiction and film is one of half truths In this brilliant work of social history Susan Lee Johnson enters the well worked diggings of Gold Rush history and strikes a rich lode Johnson explores the dynamic social world created by the Gold Rush in the Sierra Nevada foothills east of Stockton charting the surprising ways in which the conventions of identity ethnic national and sexual were reshaped With a keen eye for character and story she shows us how this peculiar world evolved over time and how our cultural memory of the Gold Rush took root Dicker's Mining Record, and Guide to the Gold Mines of Australia , 1865

Gold Days Owen Cochran Coy, 2015-04-23 The California Gold Rush really was a bonanza Between 1849 and 1855 more than 400 million dollars was gathered by the miners once adjusted it is a sum today reaching into the trillions It was a social phenomenon marked by the carnivalesque In Mark Twain's *Roughing It* 1872 the protagonist remarks as his brother heads West Pretty soon he would be hundreds and hundreds of miles away on the great plains and deserts and among the mountains of the Far West and would see buffaloes and Indians and prairie dogs an antelopes and have all kinds of adventures and may be get hanged or scalped and have ever such a fine time and write home and tell us all about it and be a hero And by and by he would become very rich and return home by sea and be able to talk as calmly about San Francisco and ocean and the isthmus as if it was nothing of any consequence to have seen those marvels face to face Go they did to the Land of Golden Dreams in the largest internal migration in American history and the adventures and tragedies have created a large and memorable literature City of Stairs Robert Jackson Bennett, 2014-09-09 An atmospheric and intrigue filled novel of dead gods buried histories and a mysterious protean city from one of America's most acclaimed young fantasy writers The city of Bulikov once wielded the powers of the gods to conquer the world enslaving and brutalizing millions until its divine protectors were killed Now Bulikov has become just another colonial outpost of the world's new geopolitical power but the surreal landscape of the city itself first shaped now shattered by the thousands of miracles its guardians once worked upon it stands as a constant haunting reminder of its former supremacy Into this broken city steps Shara Thivani Officially the unassuming young woman is just another junior diplomat sent by Bulikov's oppressors Unofficially she is one of her country's most accomplished spies dispatched to catch a murderer But as Shara pursues the killer she starts to suspect that the beings who ruled this terrible place may not be as dead as they seem and that Bulikov's cruel reign may not yet be over
