Grass Valley Claudine Chalmers, Grass Valley Downtown Association, 2006 Grass Valley was named for its spring fed meadows but its history springs from deep below the soil An immeasurable wealth of gold lay in ancient river courses embedded in quartz or scattered capriciously in surface gravel Vibrantly entrepreneurial since its inception Grass Valley echoed with the roar of stamp mills crushing gold bearing quartz 24 hours a day every day for decades Its mines produced 350 million and millions more are thought to be buried beneath the modern city Grass Valley s wealth drew flamboyant stars like Lola Montez and gold camp urchin turned star Lotta Crabtree It was here that philosopher Josiah Royce was born and Cherokee writer Yellow Bird John Rollin Ridge lived his final days Grass Valley was often the subject of Alonzo Delano s tales of the gold rush and more recently it was the setting and inspiration for Wallace Stegner s best seller *Angle of Repose*

Madness: writings from the Queensland Gold Rush James Moylan,2015-03-09 This volume contains a small selection of my favorite writings relating to the gold rush period in Queensland I hope to provide the reader with a glimpse of the everyday topics and events that were of interest to the pioneer miners in the north of Australia By largely avoiding sterile

historical accounts in favor of primary texts in which personal opinions and first person observations are unselfconsciously expressed I endeavor to provide a sense of the social complexities of this era The common sense of this period is not our common sense Many of the sentiments and prejudices expressed are jarring to a modern sensibility Racist attitudes are unambiguously expressed Empire is a stolid reality Women are inferior to men The great chain of being provides an all encompassing teleology by which all things under heaven might be ordered Please enjoy a journey to the strangest land of them all the past James Moylan Researcher Author
