The Living Age , 1858 Forbidden Monastery Sam C. Leonhard, 2015-05-26 Rage Book One Rage is a seasoned assassin and he lives by his own rules One of them forbids him to kill children and at sixteen his new target is definitely too young to die Instead of breaking her neck he kidnaps Lucinda of Babylon and soon finds out the girl has the knack to annoy the hell out of him As if taking care of a stubborn girl isn t enough of a burden Lucinda s best friend Keiran joins their escape And falls in love with Rage And totally ignores the fact that the man in black who cannot and will not use magic even to save his own life does not love him back Staying one step ahead of a madman who is desperate to end their lives Rage and his unwilling companions travel to the Forbidden Monastery a place where horrible magical experiments once took place There are ghosts screaming for their blood and dangerous wild magic is always ready to strike At the end of the day two people are dead and Rage realizes with bitter clarity that his heart can break just as easily as it did when he was young **Golden Son**

Pierce Brown, 2015-01-06 NEW YORK TIMES BESTSELLER Red Rising hit the ground running and wasted no time becoming a sensation Golden Son continues the stunning saga of Darrow a rebel forged by tragedy battling to lead his oppressed people to freedom NAMED ONE OF THE BEST BOOKS OF THE YEAR BY NPR BUZZFEED AND BOOKLIST Gripping On virtually every level this is a sequel that hates sequels a perfect fit for a hero who already defies the tropes Grade A Entertainment Weekly As a Red Darrow grew up working the mines deep beneath the surface of Mars enduring backbreaking labor while dreaming of the better future he was building for his descendants But the Society he faithfully served was built

on lies Darrow's kind have been betrayed and denied by their elitist masters the Golds and their only path to liberation is revolution And so Darrow sacrifices himself in the name of the greater good for which Eo his true love and inspiration laid down her own life He becomes a Gold infiltrating their privileged realm so that he can destroy it from within A lamb among wolves in a cruel world Darrow finds friendship respect and even love but also the wrath of powerful rivals To wage and win the war that will change humankind's destiny Darrow must confront the treachery arrayed against him overcome his all too human desire for retribution and strive not for violent revolt but a hopeful rebirth Though the road ahead is fraught with danger and deceit Darrow must choose to follow Eo's principles of love and justice to free his people He must live for more Praise for Golden Son Stirring Comparisons to The Hunger Games and Game of Thrones series are inevitable for this tale has elements of both Kirkus Reviews Brown writes layered flawed characters but plot is his most breathtaking strength Every action seems to flow into the next NPR Don't miss any of Pierce Brown's Red Rising Saga RED RISING GOLDEN SON
