Smith, 2021-10-21 After Pearl Harbor Tin Pan Alley songwriters rushed to write the Great American War Song an Over There for World War II The most popular songs however continued to be romantic ballads escapist tunes or novelty songs To remedy the situation the federal government created the National Wartime Music Committee an advisory group of the Office of War Information OWI which outlined proper war songs along with tips on how and what to write The music business also formed its own Music War Committee to promote war songs Neither group succeeded The OWI hoped that Tin Pan Alley could be converted from manufacturing love songs to manufacturing war songs just as automobile plants had retooled to assemble planes and tanks But the OWI failed to comprehend the large extent by which the war effort would be defined by advertisers and merchandisers Selling merchandise was the first priority of Tin Pan Alley and the OWI never swayed them from this course Kathleen E R Smith concludes the government's fears of faltering morale did not materialize Americans did not need such war songs as Goodbye Mama I'm Off To Yokohama There Are No Wings On a Foxhole or even The Sun Will Soon Be Setting On The Land Of The Rising Sun to convince them to support the war The crusade for a proper war song was misguided from the beginning and the music business then and now continues to make huge profits selling love not war songs      The Prison Called Hohenasperg Arthur D. *Deck the Donuts* Ginger Bolton, 2021-10-26 Tis the season for the delectable desserts Emily Westhill and her cuddly cat

serve up at Deputy Donut but someone naughty on Santa's list has come to town. It's Christmastime again in Fallingbrook, Wisconsin. Emily has truly decked the halls of her donut shop and decorated her donuts with festive designs from green and red frosting to snowflake sprinkles. For the annual Ice and Lights Festival, she's commissioned a sculpture with three ice-carved donut shapes to form a holey snowman, Frosty the Donut. She has one Christmas wish this year: to spend some time under the mistletoe with a certain detective. But the holidays just aren't the same without an unexpected disaster or two. A tour bus on its way to the festival has crashed, and a snowstorm has left all the shaken passengers stranded and shivering. Emily and her friends open their homes to shelter the traveling families while the bus driver is admitted to the hospital for his injuries. But the following morning, Emily discovers his body buried beneath Frosty the Donut. The bus passengers show little sympathy for the man who dashed through the snow so badly, some claiming he was under the influence while behind the wheel. Emily also discovers that the driver had a history with folks in Fallingbrook. With multiple motives for murder piling up, it will take a Christmas miracle for Emily to solve this crime. Praise for Boston Scream Murder: Spooky delights don't discourage a murderer in small town Wisconsin. Cozy fare with a dollop of moonlight mist. Kirkus Reviews. On March 19, 2013, a distinguished group of writers and critics gathered at the Newark Museum's Billy Johnson Auditorium in Newark, New Jersey, to celebrate the extraordinary career and lasting literary legacy of Philip Roth on the occasion of his 80th birthday. This keepsake volume gathers remarks from the evening's speakers, a fitting tribute to the only living novelist whose work is collected in the Library of America series. Here you'll find Jonathan Lethem hilariously recounting his first consciousness-raising encounter with Roth's work through the Kafkaesque novel *The Breast*; Hermione Lee tracing the Shakespearean themes in Roth's books from Portnoy's Complaint to *The Humbling*; Alain Finkielkraut offering a deep reading of Roth's final novel *Nemesis*; Claudia Roth Pierpont assessing Roth's portrayal of women in such books as *Sabbath's Theater* and *The Human Stain*; Edna O'Brien recalling her long friendship with Roth; and the author himself offering a quintessentially Rothian valediction.
