Bartlett, 1988 In the annals of modern American letters William Everson holds prime place as a poet of conscience and consciousness of self his richly textured verse mapping his extraordinary inner journey as social activist Dominican brother and preeminent religious and philosophical poet In William Everson The Life of Brother Antoninus Lee Bartlett charts the outer journey drawing on the reminiscences of the poetry his friends and a wealth of archival material *Updating the Literary West*, 1997 Western writers says Thomas J Lyon in his epilogue to *Updating the Literary West* have grown up with the frontier myth but now find themselves in the early stages of creating a new western myth The editors of the *Literary History of the American West* TCU Press 1987 hoped that the first volume would begin not conclude their exploration of the West's literary heritage Out of this hope comes *Updating the Literary West* a comprehensive reference anthology including essays by over one hundred scholars A selected bibliography is included with each piece In the ten years since publication of *LHAW* western writing has developed a significantly larger presence in the national literary stream A variety of cultural viewpoints have developed along with new tactics for literary study New authors have risen to prominence and the range of subjects has changed and widened *Updating the Literary West* looks at topics ranging from western classics to cowboys and Cadillacs and considers children's literature ethnicity environmental writing gender issues and other topics in which change has been rapid since publication of *LHAW* This volume again affirms the West's literary legitimacy status hard earned by the Western Literary Association and the lasting place of popular western writing as part of the growing and changing literary and American experience An excellent reference for a wide range of readers and an invaluable resource for scholars and libraries Selected list of contributors James Maguire Fred Erisman Susan J Rosowski Gerald Haslam Tom Pilkington A Carl Bredahl Richard Slotkin John G Cawelti Robert F Gish Ann Ronald Mick McAllister **The City Trilogy** Shi Kuo Chang, 2003 Forced into the war to save their remaining territory the indigenous peoples join the Huhui in their continuing struggle against the Shan *Jubilee Hitchhiker* William Hjortsberg, 2012-04-01 Confident and robust *Jubilee Hitchhiker* is an comprehensive biography of late novelist and poet Richard Brautigan author of *Troutfishing in America* and *A Confederate General from Big Sur* among many others When Brautigan took his own life in September of 1984 his close friends and network of artists and writers were devastated though not entirely surprised To many Brautigan was shrouded in enigma erratic and unpredictable in his habits and presentation But his career was formidable an inspiration to young writers like Hjortsberg trying to get their start Brautigan's career wove its way through both the Beat influenced San Francisco Renaissance in the 1950s and the Flower Power hippie movement of the 1960s while he never claimed direct artistic

involvement with either period Jubilee Hitchhiker also delves deeply into the spirited times in which he lived As Hjortsberg guides us through his search to uncover Brautigan as a man the reader is pulled deeply into the writer s world Ultimately this is a work that seeks to connect the Brautigan known to his fans with the man who ended his life so abruptly in 1984 while revealing the close ties between his writing and the actual events of his life Part history part biography and part memoir this etches the portrait of a man destroyed by his genius

Contemporary Poetry Nerys Williams, 2011-04-06 Discussing the work of more than 60 poets from the US UK Ireland

Australia New Zealand and the Caribbean Nerys Williams guides students through the key ideas and movements in the study of poetry today Reading Error Nerys Williams,2007 This work considers the development of the lyric form in recent American poetry of the past three decades By concentrating on the writing of Charles Bernstein Michael Palmer and Lyn Hejinian the author considers the attempts of contemporary poetry to problematise the identification of the lyric as a static model of subjectivity **ruth weiss** Estíbaliz Encarnación-Pinedo,Thomas Antonic,2021-10-04 ruth weiss born in Berlin in 1928 to Austrian Jewish parents arrived in San Francisco in 1952 after hitchhiking through the United States Crowned years later as the Goddess of the Beat Generation by San Francisco Chronicle critic Herb Caen weiss has worked for almost seven decades with a plurality of artistic forms Despite her extensive poetry career and very active participation in the West Coast buzzing artistic community since the early 1950s weiss has remained an essentially overlooked figure in poetry history This neglect might be representative of the overshadowing of female artists within the Beat Generation as a marginalized group within an always already marginalized bohemia Johnson The volume taps directly into this lacuna by proving the first close study on one of the most prolific members of the so called Beat Generation Offering diverse and comprehensive points of entrance into weiss s oeuvre the essays in this volume adopt a multidisciplinary approach that attests to the cross pollination between art forms in postwar counterculture In addition the volume also includes shorter non academic contributions and previously unpublished archival material Bringing together scholars academics and artists from around the world this volume represents a timely and much needed response to the increasing interest in weiss s work in the last decades *Cumulative List of Organizations Described in Section 170 (c) of the Internal Revenue Code of 1954* ,
