Golden Lads:

Community, Religion, and Literature Cleanth Brooks, 1995 As the last collection of Cleanth Brooks's essays before his death *Community Religion and Literature* represents his final considered views on the reading of literature and the role it plays in our society He argues that the proper and essential role of literature lies in giving us our sense of community Yet he denounces the extent to which literature too is now being usurped by the critics who see writing as pure language He believes that just as religion renders truth of another sort so literature is an expression of the truth about human beings More and more in this age of science literature has assumed the burden of providing civilization with its values *Community Religion and Literature* offers students of literature the opportunity to understand what Cleanth Brooks was actually saying rather than what others have said he was saying The Mode of Inheritance of Yearly Butterfat Production Charles Wesley Turner, 1927 **A Collection of Catches, Canons and Glees, etc** James Nares, 1775 **Research Bulletin** University of Missouri--Columbia. Agricultural Experiment Station, 1927 *The Tragedie of Cymbeline* William Shakespeare, 1913
