Growing and Marketing Ginseng, Goldenseal and other Woodland Medicinals Jeanine Davis, W. Scott Persons, 2014-05-01  
The most comprehensive truly practical guide to the cultivation of woodland botanicals Not all saleable crops are dependent on access to greenhouses or sun drenched arable land Shade loving medicinal herbs can be successfully cultivated in a forest garden for personal use or as small scale cash crops Growing and Marketing Ginseng Goldenseal and other Woodland Medicinals is a complete guide to these increasingly popular botanicals aimed at aspiring and experienced growers alike In this fully revised and updated edition authors Jeanine Davis and W Scott Persons show how more than a dozen sought after native species can generate a greater profit on a rugged otherwise idle woodlot than just about any other legal crop on an equal area of cleared land With little capital investment but plenty of sweat equity patience and common sense small landowners can preserve and enhance their treed space while simultaneously earning supplemental income Learn how to establish grow harvest and market Popular medicinal roots such as ginseng goldenseal and black cohosh Other commonly used botanicals including bloodroot false unicorn and mayapple The nutritious wild food ramps and the valuable ornamental galax Packed with budget information extensive references and personal stories of successful growers this invaluable resource will excite and inspire everyone from the home gardener to the full time farmer Jeanine Davis is an associate professor and extension specialist with North Carolina State University Her focus is helping farmers diversify into new crops and organic agriculture W Scott Persons is the author of American Ginseng Green Gold and an expert in growing and marketing wild simulated and woods cultivated ginseng Goldenseal (Hydratis Canadensis) Mary Lorraine Predny, 2005

North American Agroforestry Harold E. Gene Garrett, Shibu Jose, Michael A. Gold, 2022-02-23 North American Agroforestry Explore the many benefits of alternative land use systems with this incisive resource Humanity has become a victim of its own success While we've managed to meet the needs to one extent or another of a large portion of the human population we've often done so by ignoring the health of the natural environment we rely on to sustain our planet And by deteriorating the quality of our air water and land we've put into motion consequences we'll be dealing with for generations In the newly revised Third Edition of North American Agroforestry an expert team of researchers delivers an authoritative and insightful exploration of an alternative land use system that exploits the positive interactions between trees and crops when they are grown together and bridges the gap between production agriculture and natural resource management This latest edition includes new material on urban food forests as well as the air and soil quality benefits of agroforestry agroforestry's relevance in the Mexican context and agroforestry training and education The book also offers A thorough introduction to the development of agroforestry as an integrated land use management strategy Comprehensive explorations of agroforestry nomenclature concepts and practices as well as an agroecological foundation for temperate agroforestry Practical discussions of tree crop interactions in temperate agroforestry including in systems such as windbreak practices

silvopasture practices and alley cropping practices In depth examinations of vegetative environmental buffers for air and water quality benefits agroforestry for wildlife habitat agroforestry at the landscape level and the impact of agroforestry on soil health Perfect for environmental scientists natural resource professionals and ecologists North American Agroforestry will also earn a place in the libraries of students and scholars of agricultural sciences interested in the potential benefits of agroforestry **Tyler's Honest Herbal** Steven Foster, Varro E.
