Island of Gold James Grant, 2001-01-01 **The La Chance Mine Mystery** Susan Morrow Jones, 2019-08 Little as I guessed it this story really began at Skunk s Misery But Skunk s Misery was the last thing in my head though I had just come from the place Hungry dog tired cross with the crossness of a man in authority whose orders have been forgotten or disregarded I drove Billy Jones s old canoe across Lac Tremblant on my way home to Dudley Wilbraham s gold mine at La Chance after an absence of months It was halfway to dark and the bitter November wind blew dead in my teeth Slaps of spray from flying wavecrests blinded me with goutts of lake water that was oddly warm till the cutting wind froze it to a coating of solid ice on my bare hands and stinging face that I had to keep dabbing on my paddling shoulder to get my eyes clear in order that I might stare in front of my leaky borrowed canoe *Goldmine - London W.1* Philip Daniels, 1993 After serving time for a crime he did not commit Edward Walton is ready for revenge Years in prison have fanned his hatred of the business partner who betrayed him Walton devises a plan that might be worth millions and allow him to get his revenge as a bonus *The Gold Mine Mystery* Bob Wright, 1984 A real gold mine in town It could be because gold is being found in an old tunnel near the creek Strange truck tracks and sounds make Tom and Ricky investigate the old mine which leads to a surprise ending Page 4 of cover **The Sixth Raid** Douglas Enefer, 1998 In the sixth raid a cop was gunned down and a girl kidnapped A bank clerk drew a likeness that matched police photographs of Brad Tolman King of the Blaggers Julian Arbor master of disguise had carried out five consecutive raids on small branch banks When the sixth raid came Arbor was certain that Tolman must now be the sole suspect for them all The top brass at Police Headquarters held the same view but not Sam Bawtry who decided to set a double trap P 4 of cover Gold Mine Wilbur Smith, 1994 North of Johannesburg five companies share the Kitchenerville fields furiously blasting and digging deep into the earth For some men gold mining is a way of life and death For some it s just a business For one man it s the most dangerous game of all Rod Ironsides makes love to his boss s wife and drives his miners faster and harder than anyone has ever dared A few weeks ago Ironsides had a passion for golf and one night stands Now he has been handed a prize and a curse to blast through rock and reap a fortune or be destroyed From a split second oxygen sucking explosion to a looming underground wall of water there are a dozen ways Rod can fail But his passion and fury won t let him back down from a conspiracy he cannot see men who want to turn his mine into a death trap for the bloodiest pay day of all
