Tovey, Ernest Landheer, 2019-05-01 South Africans of all races remember the moment when Neil Tovey raised the Africa Cup of Nations trophy in 1996 with Nelson Mandela at his side wearing his number 9 jersey. It still represents South Africa's greatest success in international football. In his long-awaited autobiography Tovey tells his fascinating life story describing his modest upbringing in Durban, his entry to a mainly black sport in a deeply segregated 1980s South Africa, and his time as captain of Kaizer Chiefs and Bafana Bafana. He recalls his introduction to muti rituals by team members and his growing popularity among Chiefs supporters who nicknamed him Mokoko boss. Tovey also writes about his experiences as a coach and as technical director of the South African Football Association (SAFA) and shares his insights about the state of the sport today. He talks frankly about his family life and about surviving two heart attacks and gives insights into leadership and success. This book will appeal to all football fans but it is also a fascinating story of a man who has lived a truly South African life.

The Memory Bank Jack Orth, 2011-08-12 THE MEMORY BANK A collection of short stories drawn from the Memory Bank of Jack Orth, born in 1931. Unlike the financial institutions we're all familiar with, the Memory Bank is open 24/7. Even when you're sound asleep, you can make a withdrawal in the form of a dream. There are no minimum balances required. The interest rate never takes a hit and it always remains at a high level. As a matter of fact, the older you get, the more valuable your deposits become as you can rely on them to bring a smile to your heart and a tear of happiness to your eyes. It's also a bank where you can make a withdrawal, but it's only a carbon copy. Years later, the original is still in your account for future reference. You'll surely relate to some of the withdrawals in this book and maybe head to your own Memory Bank to verify the fact that your memories are still there. Enjoy the time you spend in Jack's Memory Bank and in your own.

Let There Be Pebble Zachary M. Jack, 2011 It was scary, Jack Nicklaus said of Pebble Beach, and gave him nightmares so acute he famously woke his wife on the eve of his 1972 U.S. Open victory, totally spooked. It's not a golf course, sportswriter Jim Murray wrote, it's a hellship. Golf writer Dan Jenkins once joked that the famed venue of the Bing Crosby National Pro-Am should be dubbed Double Bogey by the Sea. A one-time failed Division One golfer, Jack opts to stare down an early midlife crisis by chronicling a U.S. Open year spent at Pebble Beach, object of his ailing father's fantasies and site of the nation's number one public course and its fairy tale host town, Carmel-by-the-Sea, California. There, along the blue Pacific, he traces the colorful, capricious, and comical world of golf on the Monterey Peninsula as never before via interviews with legends of the game: Johnny Miller, Gary Player, and Tom Watson, with today's brightest stars: Padraig Harrington, Phil Mickelson, and Bubba Watson, and with some of its most famous celebrity linksters: actor Bill Murray, Olympic soccer star Brandi Chastain, and billionaire entrepreneur Charles Schwab. Conducting more than one hundred interviews, Jack ranges far and wide to get the scoop, talking golfing haunts with bestselling golf novelist Michael Murphy, teeing up with members of a Carmel-based worldwide golfing society devoted to mystical play, learning to play Pebble at the knee of one of the Top 50 Golf Teachers in America, and with a Carmel-based journeyman pro described as a golf savant and raising a cup with a lifelong
