condition is most basically that we are willful creatures living in a world that much of the time doesn't behave the way we want it to. We live in the tension between our will and reality. Sometimes with great effort and expertise we can change reality or bend it to our will. At other times also with great effort and expertise it is we who must change by coming to accept the limitations of the world and of ourselves. How we do this, how we deal with the hazards of life, is quite akin to how we deal with the hazards of a golf course. Sooner or later golfers who stick with the game long enough will almost always come to see it as a metaphor for life. But the word metaphor fails to do justice to all that golf has to teach us. I would go even further and say that in its own way golf is life and not only that, life condensed. If we choose to use it as such, I believe that golf next to marriage and parenthood can routinely be the greatest of life's learning opportunities.

The Playing Lesson Michael Bamberger, 2025-06-03. You are cordially invited to join Michael Bamberger on a year-long golfing adventure playing alongside the pros of the PGA Tour, the LPGA Tour, LIV Golf, and more as he seeks to unlock golf's most stubborn secrets in various and surprising ways, all in the name of improvement. Nearly fifty years after taking up the game, Michael Bamberger made a pair of startling discoveries: golf had never meant more to him, and he knew almost nothing about it. He decided to cover himself in green in a whole new way. He spent a year inside the ropes of professional golf, playing, caddying, competing, volunteering, and interviewing, looking for a door into the sport's sanctum sanctorum. In *The Playing Lesson: A Duffer's Year Among the Pros*, Bamberger goes on the ultimate golfing bender. You've read about St. Andrews before, but here you will experience the home of golf in a whole new way. You'll join the author as he volunteers in one tournament, caddies in others, plays in men's and women's pro-ams, and conducts intimate interviews with elite figures in the game. You'll mooch off the lessons Bamberger takes from instructors, famous and obscure, who teach golf in novel ways. You'll learn how to buy a better golf game. Maybe you've had club fittings, but not like the one Bamberger experiences in various tour trailers. In a pro-am, Bamberger gets driving tips from one of the tour's longest hitters, Jake Knapp. He receives a putting lesson from Brad Faxon. He learns how to hit hook wedges from Gary Player. He lives through the intense pain of Rory McIlroy's misses and rejoices at Lydia Ko's triumphs. He plays Pebble Beach and Royal Oak, a down-home nine-hole public course in Detroit, with perfect greens. He receives an unexpected hug from Greg Norman at a LIV Golf event in Miami, along with the words "Come on in here, you asshole." He spends a lot of time at driving ranges, some of it productive. What Bamberger has done here, when you get right down to it, is create his own tour. *The Playing Lesson* is a report on a real-life golfing safari with stops inside the heads of the game's high priests, his own and yours.
