Sunday was singles day traditionally the forte of American teams The situation looked bleak especially when European team member and number 1 golfer in the world Rory McIlroy very nearly missed his tee off time Yet slowly but surely the European team who had top loaded their line up in one last throw of the dice started to turn the scoreboard blue With inspirational captain Jose Maria Olazabal stiring European blood with thoughts of the late Ryder Cup magician Seve Ballesteros whose silhouette was emblazoned on the players sweaters and bags the tide turned and the previously dominant American players started to crumble in the face of the onslaught Suddenly European players were holing miraculous putts to win holes out of the blue Something very special was happening When German Martin Kaymer sank his putt on the eighteenth green to clinch the point that retained the Ryder Cup the most astonishing comeback in the event s long and distinguished history was complete Miracle at Medinah is the compelling narrative of those amazing three days in Illinois a fitting chronicle of an unbelievable sporting story **Vanity Fair** ,1919 *Golf* Detty Moore,1997 Designed for those who enjoys playing golf and who would like to improve their game This book covers areas including history and trends fundamental skills and drills equipment and safety concerns and rules and regulations **The Spirit of St. Andrews** Alister MacKenzie,1998-03-02 Alister MacKenzie was one of golf s greatest architects He designed his courses so that players of all skill levels could enjoy the game while still creating fantastic challenges for the most experienced players Several of MacKenzie s courses such as Augusta National Cypress Point and Pasatiempo remain in the top 100 today In his lost 1933 manuscript published for the first time in 1995 and now finally available in paperback MacKenzie leads you through the evolution of golf from St Andrews to the modern day golf course and shares his insight on great golf holes the swing technology and equipment putting tips the USGA the Royal Ancient and more With fascinating stories about Bobby Jones Walter Hagen Gene Sarazen and many others The Spirit of St Andrews gives valuable lessons for all golfers as well as an intimate portrait of Alister MacKenzie a true legend of the game *The Spur* ,1925 **The Green Troon** McAllister,2009-07-01 The Ryder Cup A biennial tournament considered the premier event in the golfing world pitting the twelve best players in the United States against the twelve best of Europe in a contest so pressure filled it can paralyze even the most battle scarred tour veterans United States captain Alan Bellamy with one precious slot unfilled and none of the remaining top tour players willing to sign on against a clearly superior European squad makes a desperate decision in his attempt to preserve America s golfing honor he selects as his twelfth man one Eddie Caminetti a low life two bit hustler from a municipal course in South Florida The most prestigious tournament in golf will never be the same As the unforeseen consequences of Caminetti s participation on the Ryder team unfold riotously Troon McAllister takes us into the minds and souls of elite professional athletes and poses a question as old as golf itself Why would God create a game even He can t play **The Feeling of Greatness** Tim O'Connor,2017-06-13 From the award winning journalist and coach a biography of the Rain Man of golf It s a character drama It s an underdog story Barry Morrow Academy Award winning screenwriter
