Golf's Life Lessons Richard Allen,2019-06-04 Both life and golf can offer frustrations and also important lessons on topics ranging from grinding it out to versatility sportsmanship honesty and of course confidence In the words of Grantland Rice Like life golf can be humbling However little good comes from brooding about mistakes we've made The next shot in golf or life is the big one In *Golf's Life Lessons* Richard Allen details 55 life lessons that we can learn from time spent on the golf course In doing so he applies examples and insight from the likes of Tiger Woods Jack Nicklaus Gary Player Bobby Jones Walter Hagen Bob Hope Lee Trevino Ben Hogan and many others Through these anecdotes on the pros golfers of all skill levels can discover that it's not only how well you putt or chip but also how you respond mentally to golf's and life's many roadblocks This book makes the perfect gift for duffers and professionals alike *Trials and Triumphs of Golf's Greatest Champions* Lyle Slovic,2016-05-19 Golf can be a vexing and cruel game and teaches us much about ourselves It has been described as a contest calling for courage skill strategy and self control It is a test of temper a trial of honor a revealer of character In the end as with most of life success hinges on the character and spirit we possess But how would our tempers be tested if we suffered a career threatening injury from a near fatal car accident as Ben Hogan did in the prime of his life How would our honor be preserved if we faced constant derision and racism both on and off the golf course as Charlie Sifford encountered his entire career How would our character be revealed if cancer robbed us of the ability to play the game we loved as it did to Babe Didrikson Zaharias Would we give in to self pity or persevere and keep going In *Trials and Triumphs of Golf's Greatest Champions A Legacy of Hope* Lyle Slovic has pulled together the inspirational stories of six golfers and a caddy whose strength of character sustained them against the physical and emotional trials that threatened both their careers and lives In an era when many athletes have lost their luster as role models the people in this book Harry Vardon Bobby Jones Ben Hogan Babe Didrikson Zaharias Charlie Sifford Ken Venturi and Bruce Edwards offer lessons in perseverance dignity humility and faith Slovic tells each of their stories with rich detail including the childhoods that shaped their characters their rise in the world of professional golf the crises they faced in their lives their struggles to keep doing what they loved and their refusal to give up They had their flaws to be sure But when faced with a true test of will all showed

a strength that inspired those around them The first book to gather the stories of these golfers into a single volume Trials and Triumphs of Golf's Greatest Champions offers a unique blend of characters who shared the same love for a game that gave them the courage and fortitude they needed to face whatever life threw their way This book will not only interest golfers and fans of the game it will also inspire those who have suffered their own personal setbacks and show them they are not alone in their trials
