Gone Hollywood The Movie Colony In The Golden Age:

The World According to Hollywood, 1918-1939 Ruth Vasey, 1997 The most visible cultural institution on earth between the World Wars the Hollywood movie industry tried to satisfy worldwide audiences of vastly different cultural religious and political persuasions The World According to Hollywood shows how the industry's self regulation shaped the content of films to make them salable in as many markets as possible In the process Hollywood created an idiosyncratic vision of the world that was glamorous and exotic but also oddly narrow Ruth Vasey shows how the Motion Picture Producers and Distributors of America MPPDA by implementing such strategies as the industry's Production Code ensured that domestic and foreign distribution took place with a minimum of censorship or consumer resistance Drawing upon MPPDA archives studio records trade papers and the records of the U S Department of Commerce Vasey reveals the ways the MPPDA influenced the representation of sex violence religion foreign and domestic politics corporate capitalism ethnic minorities and the conduct of professional classes Vasey is the first scholar to document fully how the demands of the global market frequently dictated film content and created the movies homogenized picture of social and racial characteristics in both urban America and the world beyond She uncovers telling evidence of scripts and treatments that were abandoned before or during the course of production because of content that might offend foreign markets Among the fascinating points she discusses is Hollywood's frequent use of imaginary countries as story locales resulting from a deliberate business policy of avoiding realistic depictions of actual countries She argues that foreign governments perceived movies not just as articles of trade but as potential commercial and political emissaries of the United States Just as Hollywood had to persuade its domestic audiences that its products were morally sound its domination of world markets depended on its ability to create a culturally and politically acceptable product

She Damn Near Ran the Studio Jacqueline R. Braitman, 2020-10-19 Best known as the woman who ran MGM Ida R Koverman 1876 1954 served as talent scout mentor executive secretary and confidant to American movie mogul Louis B Mayer for twenty five years She Damn Near Ran the Studio The Extraordinary Lives of Ida R Koverman is the first full account of Koverman's life and the true story of how she became a formidable politico and a creative powerhouse during Hollywood's Golden Era For nearly a century Koverman's legacy has largely rested on a mythical narrative while her more fascinating true life story has remained an enduring mystery until now This story begins with Koverman's early years in Ohio and the sensational national scandal that forced her escape to New York where she created a new identity and became a leader among a community of women Her second incarnation came in California where she established herself as a hardcore political operative challenging the state's progressive impulse During the Roaring Twenties she was a key architect of the Southland's conservative female centric partisan network that refashioned the course of state and national politics and put Herbert Hoover in the White House As the political boss of Los Angeles County she was the premiere matchmaker in the courtship between Hollywood and national partisan politics which as Mayer's executive

secretary was epitomized by her third incarnation as one of the most formidable women in Hollywood whose unparalleled power emanated from her unique perch inside the executive suite of Metro Goldwyn Mayer Free to adapt her managerial skills and political know how on behalf of the studio she quickly drew upon her artistic sensibilities as a talent scout expanding MGM's catalog of stars and her own influence on American popular culture Recognized as one of the invisible power centers in both MGM and the city of Los Angeles she nurtured the city's burgeoning performing arts by fostering music and musicians and the public financing of them As the lioness of MGM royalty Ida Koverman was not just a naturalized citizen of the Hollywood kingdom at times during her long reign she damn near ran the studio

Deanna Durbin in Hollywood Barry Lowe, 2024-02-09 Known as the first film teenager Deanna Durbin was one of the most popular actresses of the 1930s and 1940s From starring alongside legends like Judy Garland to playing the lead role in classic film musicals her rise to fame seemed almost like fantasy But her life behind the scenes was anything but glamorous Though Durbin was a princess to the public she was a puppet to film studios and producers and a punching bag for critics and gossip columnists At the end of her twelve year career her only wish was to be forgotten Impossible This book pays tribute to Deanna Durbin by detailing her life and career in the context of her time and appraises her film work from both a contemporaneous and a modern view It includes a short biography an in depth discussion of her films and an extensive filmography and bibliography of her work Readers will discover the true identity behind the people's Cinderella and how Durbin's career opened Hollywood's studio gates to a generation of adolescent performers

The Entertainer Margaret Talbot, 2013-11-05 Using the life and career of her father an early Hollywood actor New Yorker writer Margaret Talbot tells the thrilling story of the rise of popular culture through a transfixing personal lens The arc of Lyle Talbot's career is in fact the story of American entertainment Born in 1902 Lyle left his home in small town Nebraska in 1918 to join a traveling carnival From there he became a magician's assistant an actor in a traveling theater troupe a romantic lead in early talkies then an actor in major Warner Bros pictures with stars such as Humphrey Bogart and Carole Lombard then an actor in cult B movies and finally a part of the advent of television with regular roles on *The Adventures of Ozzie and Harriet* and *Leave It to Beaver* Ultimately his career spanned the entire trajectory of the industry In her captivating impeccably researched narrative a charmed combination of Hollywood history social history and family memoir Margaret Talbot conjures warmth and nostalgia for those earlier eras of 10s and 20s small town America 30s and 40s Hollywood She transports us to an alluring time simpler but also exciting and illustrates the changing face of her father's America all while telling the story of mass entertainment across the first half of the twentieth century

Hollywood Faith Gerardo Marti, 2008 The author shows how a multiracial evangelical congregation of 2 000 people accommodates itself to the entertainment industry and draws in many striving to succeed in this harsh and irreverent business Hollywood's Oasis Christian Center strategically sanctifies ambition and negotiates social change by promoting a new religious identity as champion of life An identity that provides people who face difficult career

Turan,2025-02-04 Kenneth Turan brings to life the extraordinary partnership of Louis B Mayer and Irving Thalberg and their role in creating the film industry as we know it One was a tough junkman s son the other a cosseted mama s boy but they dreamed the same mighty dream that the right movies could make a profit and change both the culture and individual lives Sharing a religion and an evangelical zeal for film Louis B Mayer 1884 1957 and Irving Thalberg 1899 1936 were unlikely partners in one of the most significant collaborations in movie history Over the course of their decade long relationship as key players at Metro Goldwyn Mayer and major players in Hollywood they joined forces in redefining and mastering the template for the film industry Mayer older by more than a dozen years was the business minded face of the studio while Thalberg worked closely with the creative corps especially writers together they rarely set a foot wrong And while Mayer initially viewed Thalberg as the son he never had the two would go from passionate friends to near enemies before Thalberg s shocking death at the age of thirty seven In the first joint biography of the two men in fifty years film critic Kenneth Turan traces their fraught relationship while examining the complicated history of Jewish identity in Hollywood Unspeakable

played in the classical Hollywood period Bright Boulevards, Bold Dreams Donald Bogle,2009-02-19 In *Bright Boulevards Bold Dreams* Donald Bogle tells for the first time the story of a place both mythic and real Black Hollywood Spanning sixty years this deliciously entertaining history uncovers the audacious manner in which many blacks made a place for themselves in an industry that originally had no place for them Through interviews and the personal recollections of Hollywood luminaries Bogle pieces together a remarkable history that remains largely obscure to this day We discover that Black Hollywood was a place distinct from the studio system dominated Tinseltown a world unto itself with unique rules and social hierarchy It had its own talent scouts and media its own watering holes elegant hotels and fashionable nightspots and of course its own glamorous and brilliant personalities Along with famous actors including Bill Bojangles Robinson Hattie McDaniel whose home was among Hollywood s most exquisite and later the stunningly beautiful Lena Horne and the fabulously gifted Sammy Davis Jr we meet the likes of heartthrob James Edwards whose promising career was derailed by whispers of an affair with Lana Turner and the mysterious Madame Sul Te Wan who shared a close lifelong friendship with pioneering director D W Griffith But Bogle also looks at other members of the black community from the white stars black servants who had their own money and prestige to gossip columnists hairstylists and architects and at the world that grew up around them along Central Avenue the Harlem of the West In the tradition of Hortense Powdermaker s classic *Hollywood The Dream Factory* and Neal Gabler s *An Empire of Their Own* in *Bright Boulevards Bold Dreams* Donald Bogle re creates a vanished world that left an indelible mark on Hollywood and on all of America *Bringing Up Oscar* Debra Ann Pawlak,2012-01-12 The untold story of the innovative pioneers who helped make movies the preeminent art form of the twentieth century The founders of the now infamous Academy were a motley crew as individuals but when they first converged in Hollywood then just a small town with dirt roads sparks flew and fueled a common dream to bring artistic validity to their beloved new medium Who were these movers and shakers who would change movies forever And what about Oscar their famous son He is fast approaching his hundredth birthday and is still the undisputed king of Hollywood Yet with such dynamic parents what else could we expect Profane Angel Jerry Vermilye,2023-11-23 When Carole Lombard was tragically killed in a plane crash on January 16 1942 she was 33 years old and had been a film actress for almost 20 years yet her best work probably still lay ahead She had reached a career high point earning praise for her talents as a comedienne as well as a dramatic actress As well liked as she was on screen she was equally popular off screen known for being witty uninhibited and a great party giver Blonde and beautiful she reigned as the queen of Hollywood when she married Clark Gable its king This book offers a thorough examination of her too short life and provides information about her 78 films including cast and credits synopses reviews and comments Photographs from her life and films complete the work **Glenn Ford** Peter Ford,2011-05-12 Glenn Ford star of such now classic films as *Gilda* *Blackboard Jungle* *The Big Heat* *3 10 to Yuma* and *The Rounders* had rugged good looks a long and successful career and a glamorous Hollywood life Yet the man who

could be accessible and charming on screen retreated to a deeply private world he created behind closed doors Glenn Ford A Life chronicles the volatile life relationships and career of the renowned actor beginning with his move from Canada to California and his initial discovery of theater It follows Ford s career in diverse media from film to television to radio and shows how Ford shifted effortlessly between genres playing major roles in dramas noir westerns and romances This biography by Glenn Ford s son Peter Ford offers an intimate view of a star s private and public life Included are exclusive interviews with family friends and professional associates and snippets from the Ford family collection of diaries letters audiotapes unpublished interviews and rare candid photos This biography tells a cautionary tale of Glenn Ford s relentless infidelities and long slow fade out but it also embraces his talent driven career The result is an authentic Hollywood story that isn t afraid to reveal the truth Best Books for General Audiences selected by the American Association of School Librarians Best Books for General Audiences selected by the Public Library Reviewers *Anita Page* Allan R.

Ellenberger,Robert Murdoch Paton,2021-02-09 Anita Page 1910 2008 first captured attention near the end of the silent film era in such classics as While the City Sleeps 1928 with Lon Chaney The Flying Fleet 1929 with Ramon Novarro and her own favorite Our Dancing Daughters 1928 with Joan Crawford In a relatively short career Page enjoyed critical acclaim She appeared in the first full sound movie to win Best Picture The Broadway Melody 1929 With a foreword by her close friend actor Randal Malone this reference work is the first to fully detail Page s remarkable career including a biography and a complete listing of all her films along with her one stage appearance and her returns to the limelight in later years Entries provide complete production information reviews and behind the scenes commentary Dozens of photos and revealing anecdotes complete a portrait of a fascinating yet underappreciated performer **Gloria Swanson** Stephen Michael Shearer,2013-08-27 Gloria Swanson defined what it meant to be a movie star but her unforgettable role in Sunset Boulevard overshadowed the true story of her life Now Stephen Michael Shearer sets the record straight in the first in depth biography of the film legend Swanson was Hollywood s first successful glamour queen Her stardom as an actress in the mid 1920s earned her millions of fans and millions of dollars Realizing her box office value early in her career she took control of her life Soon she was not only producing her own films she was choosing her scripts selecting her leading men casting her projects creating her own fashions guiding her publicity and living an extravagant and sometimes extraordinary celebrity lifestyle She also collected a long line of lovers including Joseph P Kennedy and married men of her choosing including a French marquis thus becoming America s first member of nobility As a devoted and loving mother she managed a quiet success of raising three children Perhaps most important as a keen businesswoman she also was able to extend her career more than sixty years Her astounding comeback as Norma Desmond in Billy Wilder s Sunset Boulevard catapulted her back into the limelight But it also created her long misunderstood persona one that this meticulous biography shows was only part of this independent and unparalleled woman *Designing Hollywood* Christian Esquevin,2023-08-29 Since the 1920s fashion has

played a central role in Hollywood As the movie going population consisted largely of women studios made a concerted effort to attract a female audience by foregrounding fashion Magazines featured actresses like Jean Harlow and Joan Crawford bedecked in luxurious gowns selling their glamour as enthusiastically as the film itself Whereas actors and actresses previously wore their own clothing major studios hired costume designers and wardrobe staff to fabricate bespoke costumes for their film stars Designers from a variety of backgrounds including haute couture and art design were offered long term contracts to work on multiple movies Though their work typically went uncredited they were charged with creating an image for each star that would help define an actor both on and off screen The practice of working long term with a single studio disappeared when the studio system began unraveling in the 1950s By the 1970s studios had disbanded their wardrobe departments and auctioned off their costumes and props In *Designing Hollywood Studio Wardrobe in the Golden Age* Christian Esquevin showcases the designers who dressed Hollywood's stars from the late 1910s through the 1960s and the unique symbiosis they developed with their studios in creating iconic looks Studio by studio Esquevin details the careers of designers like Vera West who worked on Universal productions such as *Phantom of the Opera* 1925 *Dracula* 1931 and *Bride of Frankenstein* 1931 William Travilla the talent behind Marilyn Monroe's dresses in *Gentleman Prefer Blondes* 1953 and *The Seven Year Itch* 1955 and Walter Plunkett the Oscar winning designer for film classics like *Gone with the Wind* 1939 and *An American in Paris* 1951 Featuring black and white photographs of leading ladies in their iconic looks as well as captivating original color sketches *Designing Hollywood* takes the reader on a journey from drawing board to silver screen
