**I have a shadow hooked to me.**

**Sometimes he's big.**

**Sometimes he's small.**

**Sometimes he isn't there at all.**

**He doesn't seem to like the rain.**

**(Maybe thunder scares him, too) .**

**He's gone from me on days like that**

**'cause there isn't much to do.**

**But if it's really sunny out,**

**he doesn't like to hide.**

**He's hooked right there beside me**

**and we play all day outside.**

Citro,2020-06-01 To outsiders the deep impenetrable forest that blankets Vermont's Green Mountains gives the state its peaceful and verdant mystique but those same dark woods hide a secret from pre history that reaches menacingly into the present Joseph A Citro's widely read publications about the more haunting history legends and lore of New England have earned him a reputation as an expert on themes of the supernatural In this book first published in 1987 however he deftly melds real life ancient ruins a keen eye for the social fabric of small town Vermont and a soaring imagination to fashion a gripping tale of a family's life or death struggle to save their farm from an enemy far more devastating than banks taxes or land developers Eric Nolan is a man already too familiar with death His brother's long ago disappearance the loss of his parents and his wife's recent demise in an auto accident have left him near the edge physically and emotionally In desperation he returns to his boyhood haunt the family farm in rural Antrim Vermont now occupied by his cousin Pamela her husband Clint and Luke their four year old son But any solace Eric might find there is short lived Something terrible is going on in the woods on Pinnacle Mountain and it seems to be centered around a mysterious stone structure that a local historian believes may be the relic of an ancient race The mystery deepens as people begin to vanish one by one first a village policeman then a local hermit a researcher and finally Clint himself As baffling and violent incidents continue it becomes harder to deny that a powerful and malevolent force is at work in the Green Mountains a force that has targeted young Luke Though it defies Eric's every rational instinct he must ultimately confront a reality he can neither accept nor deny As he and the others struggle to quell the rising tide of evil the siege escalates to a brutal battle for life itself Citro twists every shock possible out of this finely crafted gothic thriller that tests the limits of legend and belief      *Eve and Her Evil Stepbrothers 2: Spell Breaker (Why Choose Paranormal Romance)* Zoe Marsh,2022-08-15 Though her rich stepdad and her mom have moved into a newly renovated mansion Eve can't join them or her spell breaking will undo all the magical security measures That means she'll be living at the old house and of course the guys have to stay with her to protect her Eve uncovers a secret about her parents her mother is put in danger and the guys train Eve to defend herself But the biggest challenge in Eve's life is how she's going to handle five arrogant insufferable warlocks who love to drive her crazy      *The Object of Memory* Susan Slyomovics,1998-06 Well researched and written with passion and elegance International Journal of Middle East Studies      **Child of an Ancient City** Tad Williams,2019-03-27 CHILD OF ANCIENT CITY Tad Williams best selling author of Tailchaser's Song and The Dragonflight Chair returns to epic fantasy with an Arabian Nights vampire story written in collaboration with acclaimed new fantasist Kiriki Hoffman CHILD OF AN ANCIENT CITY The caravan met disaster in the mountains Bandits fell upon them by night scattering their horses looting and pillaging their cargo When the survivors gathered together they salvaged what they could and began the long trek home For Susri the merchant's son the journey home becomes a nightmare as people around him

begin to disappear at night Masrur and Ibn Fahad the men in charge of the expedition blame a vampyr a creature that preys on the living and shuns the light of day Susri nicknamed Fawn knows it must be true Fawn's chance of stopping the vampyr is by story telling According to legend a vampyr will stop and listen to a story told around a campfire if it is gripping enough then retreat when dawn breaks Over the next few weeks the caravan travels hard by day At night stories are told On their last evening in the vampyr's domain the creature steps forward for the first time and challenges them to a contest for the saddest story of all If it wins it will claim one of their number for its last meal If they win they may leave unharmed When the vampyr agrees to let them judge which story is saddest Fawn suspects a trick He has his own story ready but will it be enough to defeat a vampyr
