**Angels in the Trenches** Leo Ruickbie,2018-11-08 After a miraculous escape from the German military juggernaut in the small Belgian town of Mons in 1914 the first major battle that the British Expeditionary Force would face in the First World War the British really believed that they were on the side of the angels Indeed after 1916 the number of spiritualist societies in the United Kingdom almost doubled from 158 to 309 As Arthur Conan Doyle explained The deaths occurring in almost every family in the land brought a sudden and concentrated interest in the life after death People not only asked the question If a man die shall he live again but they eagerly sought to know if communication was possible with the dear ones they had lost From the Angel of Mons to the popular boom in spiritualism as the horrors of industrialised warfare reaped their terrible harvest the paranormal and its use in propaganda was one of the key aspects of the First World War Angels in the Trenches takes us from defining moments such as the Angel of Mons on the Front Line to spirit communication on the Home Front often involving the great and the good of the period such as aristocrat Dame Edith Lyttelton founder of the War Refugees Committee and the physicist Sir Oliver Lodge Principal of Birmingham University We see here people at every level of society struggling to come to terms with the ferocity and terror of the war and their own losses soldiers looking for miracles on the battlefield parents searching for lost sons in the sance room It is a human story of people forced to look beyond the apparent certainties of the everyday and this book follows them on that journey Three Weeks to Say Goodbye C. J. Box,2009-01-06 New York Times bestselling author C J Box s novels have been called red hot edge of your seat read s and unforgettable powerful Now he delivers a novel that will steal your sleep as much as it will wrench your heart It s a novel about something

that could be anyone's worst nightmare Jack and Melissa McGuane have spent years trying to have a baby Finally their dream has come true with the adoption of their daughter Angelina But nine months after bringing her home they receive a devastating phone call from the adoption agency Angelina's birth father a teenager never signed away his parental rights and he wants her back Worse his father a powerful Denver judge wants him to own up to this responsibility and will use every advantage his position of power affords him to make sure it happens When Jack and Melissa attempt to handle the situation rationally by meeting face to face with the father and son it is immediately apparent that there's something sinister about both of them and that love for Angelina is not the motivation for their actions As Angelina's safety hangs in the balance Jack and Melissa will stop at nothing to protect their child A horrifying game of intimidation and double crosses begins that quickly becomes a death spiral where absolutely no one is safe How far would you go to save someone you love C J Box has once again written a bone chilling thriller that will keep you guessing until the very last page Booklist Omaha World Herald Bookreporter.com *Vampirella Archives Vol. 7* Various,2013-05-22 More thrilling horror and excitement in another masterpiece collection of vintage Vampirella classics Take another journey into frightening and gory tales brought to you by a host frighteningly talented writers and artists Reprinting issues 43-49 of Vampirella Magazine as she does battle with the forces of Chaos and a new deadly nemesis The Blood Red Queen Of Hearts Also featuring classic reprinted covers by the likes of Enrich and Ken Kelly Stories and art by virtuoso talents like Jose Gonzalez Esteban Maroto Len Wein Neil Adams and many more **Vampirella Magazine #43** Gerry Boudreau,Fernando Fernandez,Budd Lewis,2015-04-22 More classic tales from the original Warren era Vampirella series Vampirella is shot wounded and near death **A Long Goodbye** Artemy M. Terminator #1 - 17 (1988-1990) Complete , The Year is 2031 It s been three years since Skynet s failed time travel attempt to

kill Sarah Connor During these years John Connor s organized force of freedom fighters have been beaten back and reduced

to rag tag independent squads Just south of Miami Skynet has constructed a human replication complex or Flesh Farm The

computer s goal being to breed a new race of mankind A race that is machine sympathetic A Florida based pocket of freedom

fighters nicknamed Sarah s Slammers has pledged to destroy this complex With grim determination but little in the way of

firepower they face this challenge but it s clear from the start that this is a hopeless crusade As determined as they are they

need help Big time help It's All About Jesus! Peter M. Magolda,Kelsey Ebben Gross,2023-07-03 What is it like to be a

collegian involved in a Christian organization on a public college campus What roles do Christian organizations play in the

lives of college students enrolled in a public college What are evangelical student organizations political agendas and how do

they mobilize members to advance these agendas What is the optimal equilibrium between the secular and the sacred within

public higher education What constitutes safe space for evangelical students and who should provide this space This book

presents a two year ethnographic study of a collegiate evangelical student organization at a public university authored by

two non evangelicals The authors provide a glimpse into the lives of college students who join evangelical student

organizations and who subscribe to an evangelical way of life during their college years They offer empirically derived

insights as to how students participation in a homogeneous evangelical student organization enhances their satisfaction of

their collegiate experience and helps them develop important life lessons and skills Ironically while Christian students

represent the religious majority on the campus under study Christian organizations on this campus mobilize members by

capitalizing on members shared sense of marginalization and position themselves as cultural outsiders This evangelical

student organization serves as a safe space for students to express their faith within the larger secular university setting The

narratives and interpretations aim not only to enrich understanding of a particular student organization but more importantly

to spark intellectual discourse about the value of faith based organizations within public higher education The role of religion

in public higher education student involvement in the co curriculum and peer education are three examples of critical issues

in higher education for which this idiosyncratic case study offers broad understanding It s All About Jesus targets multiple

audiences both sacred and secular For readers unfamiliar with evangelical collegiate organizations and the students they

serve the authors hope the narratives make the unfamiliar familiar and the dubious obvious For evangelicals the authors

hope that the thickly described narratives not only make the familiar familiar and the obvious obvious but also uncover the

tacit meaning embedded in these familiar but seldom examined subculture rituals The authors hope this book spurs discussion on topics such as campus power and politics how organizations interact with the secular world around them and how members can improve their organizations Additionally this text urges secular readers in student affairs to consider the many benefits as well as liabilities of parachurches as co curricular learning sites on campus Lastly given that the authors lay bare their methodology their use of theory and the tensions between their perspectives and those of the participants this book will serve as a compelling case study for courses on qualitative research within religion studies anthropology sociology and cultural studies fields      *The First and Second Parts of King Edward IV* Thomas Heywood,2005-05-06 Yet the playwright produced a text which was at once generically complex the play blurs the distinction between chronicle history and domestic tragedy brilliantly assured in its dramatic craftsmanship and politically explosive The play depicts the streets and houses in which its original spectators lived and worked with a precision unprecedented in English writing But this vividly realised London is under assault first from rebels outside its walls and subsequently and more seriously from the predations of two monarchs      **Spoken Natural Language Dialog Systems** Ronnie W.
