When I was twenty-one years old, a boy ripped my heart out. For the first time in my life, I felt my heart break. I felt it actually break. So I wrote. I wrote because it was the only thing I knew how to do. I wrote because I didn't have to wear a pretend smile or exude a tough exterior in my words. Sometimes in life, the things that seem to be the worst possible thing that could possibly happen in reality are the best. Sometimes our hearts have to break before we can begin to really learn the lessons life has for us. Join Sarah on her journey as she learns to understand why God broke her heart. For Sarah, heartbreak becomes more about what God is trying to tell her and less about the actual act. Experience her feelings, real, true, and blitzed. *I Am J.A.*

Roberts, 2021-02-14 Who is God? People have different concepts of who God is. Some believe He is a being that we will never really get to see. He was a creator that doesn't care about the affairs of the world. He is just a place of nirvana and peace. He is a judgmental god who wants to hurt and rain vengeance on the universe. Some may say He doesn't exist at all. But God says who He is. We don't have to guess or grasp at straws to find who God is because He defines Himself. This book is a look through the gospel of John and we dive into how God defines who He is and why that's important to us. *Following Jesus*
