Drummond, Mary Helen Catlett Allen, Henry P Mayo, 2014-07-01 H G Catlett's name is on land surveys throughout central Texas This book with never before published letters and documents tells his story his work as a surveyor service as a Texas Ranger a courier for Zachary Taylor an Army quartermaster an expert on Indian affairs and a proponent for a National Road through Texas of course Available at Amazon com      *Civil Rights in the Texas Borderlands* Will Guzman, 2015-01-30 In 1907 physician Lawrence A Nixon fled the racial violence of central Texas to settle in the border town of El Paso There he became a community and civil rights leader His victories in two Supreme Court decisions paved the way for dismantling all white political primaries across the South Will Guzman delves into Nixon's lifelong struggle against Jim Crow Linking Nixon's activism to his independence from the white economy support from the NAACP and the man's own indefatigable courage Guzman also sheds light on Nixon's presence in symbolic and literal borderlands as an educated professional in a time when few went to college as an African American who made waves when most feared violent reprisal and as someone living on the mythical American frontier as well as an international boundary A powerful addition to the literature on African Americans in the Southwest *Civil Rights in the Texas Borderlands* explores seldom studied corners of the Black past and the civil rights movement      *Remembering Conquest* Omar Valerio-Jiménez, 2024-04-10 This book analyzes the ways collective memories of the US Mexico War have shaped Mexican Americans civil rights struggles over several generations As the first Latinx people incorporated into the nation Mexican Americans were offered US citizenship by the Treaty of Guadalupe Hidalgo which ended the war Because the 1790 Naturalization Act declared whites solely eligible for citizenship the treaty pronounced Mexican Americans to be legally white While their incorporation as citizens appeared as progress towards racial justice and the electorate's diversification their second class citizenship demonstrated a retrenchment in racial progress Over several generations civil rights activists summoned conquest memories to link Mexican Americans poverty electoral disenfranchisement low educational attainment and health disparities to structural and institutional inequalities resulting from racial retrenchments Activists also recalled the treaty's citizenship guarantees to push for property rights protection from vigilante attacks and educational reform Omar Valerio Jimenez addresses the politics of memory by exploring how succeeding generations reinforced or modified earlier memories of conquest according to their

contemporary social and political contexts The book also examines collective memories in the US and Mexico to illustrate transnational influences on Mexican Americans and to demonstrate how community and national memories can be used strategically to advance political agendas
