Sophocles, Francis Fergusson, 1969 **Euripides' Electra** H. M. Roisman, C. A. E. Luschnig, 2012-10-09 Among the best known Greek tragedies Electra is also one of the plays students of Greek often read in the original language It tells the story of how Electra and her brother Orestes avenge the murder of their father Agamemnon by their mother and her lover H M Roisman and C A E Luschnig have developed a new edition of this seminal tragedy designed for twenty first century classrooms Included with the Greek text are a useful introduction line by line commentary and other materials in English all intended to support intermediate and advanced undergraduate students Electra's gripping story and almost contemporary feel help make the play accessible and interesting to modern audiences The liberties Euripides took with the traditional myth and the playwright's attitudes toward the gods can inspire fruitful classroom discussion about fifth century Athenian thought manners and morals Roisman and Luschnig invite readers to compare Euripides' treatment of the myth with those of Aeschylus and Sophocles and with variant presentations in epic and lyric poetry later drama and modern film The

introduction also places the play in historical context and describes conventions of the Greek theater specific to the work Extensive appendices provide a complete metrical analysis of the play helpful notes on grammar and syntax an index of verbs and a Greek English glossary In short the authors have included everything students need to support and enhance their reading of Electra in its original language **The Electra** Sophocles, Lewis Campbell, 1909 **Elektra** Sophocles, 2012-08-07 Among the most celebrated plays of ancient Athens Elektra is one of seven surviving dramas by the great Greek playwright Sophocles now available from Harper Perennial in a vivid and dynamic new translation by award winning poet Robert Bagg Elektra masterfully explores the consequences of revenge both for those who bear the brunt of violence and for those who become obsessed by hatred under its influence as it focuses on the cycle of bloodshed that consumes a royal family This is Sophocles vibrant and alive for a new generation **Electra** , 1979 **Electra** Sophocles, 1878 **Electra** Sophocles, 1984 A translation of Sophocles s play Electra from the Greek into Welsh Electra tells the story of the revenge Orestes and Electra take on their mother Clytemnestra for the murder of their father Agamemnon after he returns from the Trojan War Reprint first published in January 1984 **Euripides: Electra** Rush Rehm, 2020-12-10 This new introduction to Euripides fascinating interpretation of the story of Electra and her brother Orestes emphasizes its theatricality showing how captivating the play remains to this day Electra poses many challenges for those drawn to Greek tragedy students scholars actors directors stage designers readers and audiences Rush Rehm addresses the most important questions about the play its shift in tone between tragedy and humour why Euripides arranged the plot as he did issues of class and gender the credibility of the gods and heroes and the power of the myths that keep their stories alive A series of concise and engaging chapters explore the functions of the characters and chorus and how their roles change over the course of the play the language and imagery that affects the audience s response to the events on stage the themes at work in the tragedy and how Euripides forges them into a coherent theatrical experience the later reception of the play and how an array of writers directors and filmmakers have interpreted the original Euripides Electra has much to say to us in our contemporary world This thorough richly informed introduction challenges our understanding of what Greek tragedy was and what it can offer modern theatre perhaps its most valuable legacy *Electra and Orestes* Friedrich Solmsen, 1967 [Greek Tragedy, a First Reading](#) Nicholas Baechele, 2014-06-13 This is an intermediate to advanced textbook for first reading of Greek tragedy This book draws from selections from both Euripides and Sophocles Electra It is designed to provide students with a structured access to reading interesting Greek at the advanced level and as it appears in works of Greek tragedy It provides a careful introduction to the language of tragedy Greek poetry as found in Electra and to the nature and forms of Greek tragedy The book focuses on material relevant for translation and understanding the unique form of drama through translation **Sophocles' Electra** Sophocles, 2020 Sophocles Electra is a riveting play with a long and varied reception Its nuanced treatment of matricidal revenge with all the questions it raises its compelling depictions of the idealistic long

grieving rebellious Electra her compliant sister her brother and her mother and its superb poetry have all contributed to making this one of Sophocles most admired plays as have the moral issues it raises and its political reverberations In recent decades it has been repeatedly translated adapted and produced sometimes on its own sometimes in combination with selections from Aeschylus Libation Bearers and more often Euripides Electra While the play certainly stands on its own in any language reading it in the original Greek adds immense value A commentary on the Greek text would enrich its reading by elucidating the words and world of the ancient language for those who are reading it more than twenty five hundred years after the play was written Such a commentary would also contribute to our understanding of other ancient Greek texts not necessarily because they use the same words in the same way but by providing information for contrast comparison and clarification This commentary includes an introduction text and notes an abbreviations list a stylistic metrical terminology list an appendix of recurrent words and a list of irregular verbs and their principal parts

Elektra Sophocles, Ezra Pound, Rudd Fleming, 1990 Early in 1949 while under indictment for treason and hospitalized by court order at St Elizabeths Hospital in Washington D C Ezra Pound collaborated with Rudd Fleming a professor at the University of Maryland on a new version of Sophocles Elektra Pound s decision to focus on this play of imprisonment and justice at such a crucial juncture in his own life and art throws both the play and the poet into stark and ironic relief Rediscovered and finally produced to great acclaim in 1987 by New York s Classic Stage Company the Pound Fleming translation of Elektra is now available in an acting edition prepared by the CSC Repertory s artistic director Carey Perloff says of the translation It is energetic slightly outrageous and very American It s very chiseled very spare not flowing or lyrical It s sort of cowboy But line for line it is Sophocles Ms Perloff also gives suggestions for staging and casting which will be invaluable to other producers and directors

Electra Euripides, 2004 Euripides wrote Aristotle is the most intensely tragic of all the poets In his questioning attitude to traditional pieties disconcerting shifts of sympathy disturbingly eloquent evil characters and acute insight into destructive passion he is also the most strikingly modern of ancient authors Written in the period from 426 to 415 BC during the fierce struggle for supremacy between Athens and Sparta these five plays are haunted by the horrors of war and its particular impact on women Only the Suppliants with its extended debate on democracy and monarchy can be seen as a patriotic piece The Trojan Women is perhaps the greatest of all anti war dramas Andromache shows the ferocious clash between the wife and concubine of Achilles son Neoptolemos while Hecabe reveals how hatred can drive a victim to an appalling act of cruelty Electra develops and parodies Aeschylus treatment of the same story in which the heroine and her brother Orestes commit matricide to avenge their father Agamemnon As always Euripides presents the heroic figures of mythology as recognizable often very fallible human beings Some of his greatest achievements appear in this volume

Electra A Tragedy Introduction

In the digital age, access to information has become easier than ever before. The ability to download Electra A Tragedy has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Electra A Tragedy has opened up a world of possibilities. Downloading Electra A Tragedy provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Electra A Tragedy has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Electra A Tragedy. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Electra A Tragedy. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Electra A Tragedy, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Electra A Tragedy has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of

continuous learning and intellectual growth.
