Going to the Source Richard Steiger, Roy A. Helton, 1989 Going to the Sources Anthony Brundage, 2017-04-27 It has been almost 30 years since the first edition of *Going to the Sources A Guide to Historical Research and Writing* was first published. Newly revised and updated, the sixth edition of this bestselling guide helps students at all levels meet the challenge of writing their first or their first real research paper. Presenting various schools of thought, this useful tool explores the dynamic nature and professional history of research papers and shows readers how to identify, find, and evaluate both primary and secondary sources for their own writing assignments. This new edition addresses the shifting nature of historical study over the last twenty years. *Going to the Sources A Guide to Historical Research and Writing* includes a new section analyzing attempts by authors of historical works to identify and cultivate the appropriate public for their writings: from scholars appealing to a small circle of fellow specialists to popular authors seeking mass readership.
