anyone change for the better Epstein gives readers a deeply personal look into his life thoughts fears and hopes while detailing the influences that have shaped his worldview Inspiring in its honesty and humility Going on Being is a compassionate brilliant look at how uniting the worlds of psyche and spirit can lead to a new way of seeing reality

What's Going On? Lawrence Grossberg, 2025-10-24 Exploring the backstory of contemporary political polarization What's Going On recognizes that simple stories of blame and uncontested stories of polarization prove themselves to be bad stories that produce bad politics This book argues that stories have increasingly become matters of affect rather than meaning instead of asking what stories mean we are likely to ask how they make people feel These stories are cultural tendencies that define the possibilities and limits of political action and behavior and the book tells its own story about how the stories of America's crises have defined our political culture as they struggle over questions of ideology identity and social belonging It lays out a theoretical position that recognizes the need for complicated stories and rigorous thought pointing a way forward out of the chaos seeking to repair the world and offer better stories and more humane political possibilities This work is a vital resource for students and instructors in sociology political science cultural studies media studies and communication in such courses as contemporary social theory contemporary political theory media politics and society and social movements and resistance The book will be an important guide for activists organizers and community field workers and for anyone else who wishes to have a better understanding of the contemporary political moment and how to mobilize toward building a better future
