## Going To Grandpas:

*Grandpa and the Dancing Catfish* Kathleen Day, 2014 There comes a day in a young child's life when the gift of childhood's magic begins to fade. A new firm voice of reason says that the fantastical, the miraculous are not real and the belief in them is foolish. At that moment the lights of the world dim; there is a deep sadness in a child's heart that goes largely unnoticed unless he is lucky enough to have a magical grandpa who knows that a child's way of seeing is the soul's way of seeing. Journey with a boy and his beloved grandpa to the banks of the beautiful Ipswich River as they undertake a mission to see if an old fisherman's tale is true: if the catfish that live deep in the river's still pools really do come out to dance by the light of the full moon. Join them as the grandfather gives to his grandson the gift his own grandfather gave to him, keeping the sacred treasure of the magical as he grows into the real world. *A to Zoo* Rebecca L. that's what happened to me I moved away from my home thinking I can make a better life for myself but that blew up in my face in the worst way Literally So I packed up my bags and left But another thing I learned is my luck is just crap Utter crap It's non-existent Some may think I'm exaggerating but really I'm not What are the odds that I stumble upon my brother's best friend's kid lost on my family's property Pretty high apparently because that's exactly what happens The same friend that I had a crush on all through my childhood The very same friend that was part of the reason for me leaving And now it seems everything in the universe is trying it's best to throw us together      To Love and to Work Tracie Clayton,2005-11-10 How would you feel if you lost your job and broke up with your boyfriend on the same day Roberta Rubin is torn between full blown shock and sweet relief when she gets downsized from her miserable corporate job and parts ways with her incongruous boyfriend in the span of a few hours Roberta's search for a new job goes badly when she continually rehashes the flaws of her previous employer during interviews A spot as a contestant on a television quiz show gives Roberta the hope of freedom from her financial concerns She also feels hopeful when she meets a nice guy at a seminar but it seems that her crush on her handsome neighbor Glen is unrequited when she spots him coming out of his apartment holding hands with a supermodel Roberta's luck finally begins to change when a temporary job as a personal assistant brings her into the world of soap opera diva Barrie Rydell and her four pampered pooches After averting a wardrobe crisis before the Daytime Glory Awards Roberta considers a new career as far away from her original path as she could have imagined Will she finally achieve the success for which she's been striving both professionally and personally      *Quiet Storm* Rhea Lynn Martin,2009-05      **Unfinished Business** F.
