Gold Portfolio Range Rover 1970-1988 R. M. Clarke, 1989-12-01 Range Rover R.M. Clarke, 1995-07-30 When conceived Rover thought it would be popular with weekend farmers who wanted some luxury as well as go anywhere ability from their vehicle When released in 1970 it was not long before there were waiting lists Little effort was put into developing the car and it sold purely on and in spite of its reputation Its character was enough to keep it going until a four door model was introduced in 1981 and from then on it was improved After 15 years it was still recognizable as the same vehicle but it had been developed far beyond what its original designers had anticipated This is a book of contemporary road tests specification and technical data new model introductions long term tests driver s impressions off roading rallying conversions military applications buyer s choice Models covered include V8 4 door Schuler Automatic Vogue Janspeed **Range Rover gold portfolio 1970-1992** R.
