

SANDY FRANCES DUNCAN

# GOLD RUSH ORPHAN

A remarkable tale of one boy's journey to the Klondike in search of gold,  
only to discover the glory and wealth within himself.

# Gold Rush Orphan

**K. Sands-O'Connor, M. Frank**

## **Gold Rush Orphan:**

**Gold Rush Orphan** Sandy Frances Duncan, 2004 In *Gold Rush Orphan* Sandy Frances Duncan has woven a fascinating tale of hardship and adventure based on her grandfather's gold rush journal entries of his 1898 trip to the Klondike. The arduous trek to the goldfields comes alive in the fictionalized story of Jeremy Britain, a young teen who joins James Fraser and his companions to search for the gold that would make their fortunes. Duncan begins the story in the gold rush port of Skagway where Jeremy has a run-in with the infamous Soapy Smith and his gang. The cruelties and lawlessness of life on the streets of Skagway merge with the implacable storms of winter as Jeremy struggles with the rest of his crew to climb the White Pass not once but many times in order to carry all the supplies needed to survive in the wilderness. It is a never-to-be-forgotten trip as Jeremy and the men struggle to care for the horses and dogs carrying the crew's supplies through deep snow and freezing temperatures. Once spring breakup arrives, there is the new challenge of navigating the swollen rivers on home-made rafts and boats. When Jeremy's group unexpectedly veers away from the usual route to Dawson and the Klondike to venture into uncharted lands, Jeremy begins furiously panning the streams they cross as they follow a mysterious account that promises the motherlode. *In The Hands of A Child* Grades 4-10 Project Pack *The California Gold Rush*, *Children of the Gold Rush* Claire Rudolf Murphy, Jane G. Haigh, 2012

In yet another previously untold chapter of the gold rush era, Murphy and Haigh have gathered individual stories, vintage photographs, and historic memorabilia to tell what life was like for children in the harsh and sparse gold mining camps a century ago. Illustrations **The Great Arizona Orphan**

**Abduction** Linda Gordon, 2011-02-09 In 1904, New York nuns brought forty Irish orphans to a remote Arizona mining camp to be placed with Catholic families. The Catholic families were Mexican, as was the majority of the population. Soon the town's Anglos, furious at this interracial transgression, formed a vigilante squad that kidnapped the children and nearly lynched the nuns and the local priest. The Catholic Church sued to get its wards back, but all the courts, including the U.S. Supreme Court, ruled in favor of the vigilantes. *The Great Arizona Orphan Abduction* tells this disturbing and dramatic tale to illuminate the creation of racial boundaries along the Mexican border. Clifton Morenci, Arizona, was a wild West boomtown where the mines and smelters pulled in thousands of Mexican immigrant workers. Racial walls hardened as the mines became big business and whiteness became a marker of superiority. These already volatile race and class relations produced passions that erupted in the orphan incident. To the Anglos of Clifton Morenci, placing a white child with a Mexican family was tantamount to child abuse, and they saw their kidnapping as a rescue. Women initiated both sides of this confrontation. Mexican women agreed to take in these orphans, both serving their church and asserting a maternal prerogative. Anglo women believed they had to save the orphans and they organized a vigilante squad to do it. In retelling this nearly forgotten piece of American history, Linda Gordon brilliantly recreates and dissects the tangled intersection of family and racial values in a gripping story that resonates with today's conflicts over the best interests of the child. **Orphan Trains** Stephen O'Connor, 2014-11-04

true story behind Christina Baker Kline's bestselling novel is revealed in this engaging and thoughtful history of the Children's Aid Society. Los Angeles Times: A powerful blend of history, biography, and adventure, *Orphan Trains* fills a grievous gap in the American story. Tracing the evolution of the Children's Aid Society, this dramatic narrative tells the fascinating tale of one of the most famous and sometimes infamous child welfare programs: the orphan trains, which spirited away some two hundred fifty thousand abandoned children into the homes of rural families in the Midwest. In mid-nineteenth-century New York, vagrant children, whether orphans or runaways, filled the streets. The city's solution for years had been to sweep these children into prisons or almshouses. But a young minister named Charles Loring Brace took a different tack. With the creation of the Children's Aid Society in 1853, he provided homeless youngsters with shelter, education, and for many, a new family out west. The family matching process was haphazard, to say the least; at town meetings, farming families took their pick of the orphan train riders. Some children, such as James Brady, who became governor of Alaska, found loving homes, while others, such as Charley Miller, who shot two boys on a train in Wyoming, saw no end to their misery. Complete with extraordinary photographs and deeply moving stories, *Orphan Trains* gives invaluable insights into a creative genius whose pioneering, if controversial, efforts inform child rescue work today.

*Orphan Runaways* Kristiana Gregory, 1998. Harrowing adventures accompany twelve-year-old Danny and his younger brother Judd when they run away from a San Francisco orphanage and search for their uncle in a gold-rush boom town.

***Orphan Bachelors*** Fae Myenne Ng, 2023-05-09. CALIFORNIA BOOK AWARDS GOLD MEDAL WINNER FOR NONFICTION. From the bestselling and award-winning author of *Bone and Steer Toward Rock*, Fae Myenne Ng's *Orphan Bachelors* is an extraordinary memoir of her beloved San Francisco's Chinatown and of a family building a life in a country bent on their exclusion. In pre-Communist China, Fae Myenne Ng's father memorized a book of lies and gained entry to the United States as a stranger's son, evading the Exclusion Act, an immigration law which he believed was meant to extinguish the Chinese American family. During the McCarthy era, he entered the Confession Program in a failed attempt to salvage his marriage, only to have his citizenship revoked, to resident alien. Exclusion and Confession: America's two slamming doors. As Ng's father said, America didn't have to kill any Chinese; the Exclusion Act ensured none would be born. Ng was her parents' precocious first-born, the translator, the bossy eldest sister. A child raised by a seafaring father and a seamstress mother in San Francisco's Chinatown and its legendary Orphan Bachelors' men without wives or children: Exclusion's living legacy. She and her siblings were their stand-in descendants. Ng's family grocery store, their haven. Each Orphan Bachelor bequeathed the children their true American inheritance. Ng absorbed their suspicious, lonely, barren nature; she found storytelling and chosen children in the form of her students. Exclusion's legacy followed her from the back alleys of Chinatown in the 60s to Manhattan in the 80s to the high desert of California in the 90s until her return home in the 2000s, when the untimely deaths of her youngest brother and her father devastated the family. A child, Ng believed her father's lies; as an adult, she returned to her childhood home to write his truth.

Orphan Bachelors weaves together the history of one family lucky to exist and nevertheless doomed an elegy for brothers estranged and for elders lost and insights into writing between languages and teaching between generations It also features Cantonese profanity snakes that cure fear and opium that conquers sorrow and a seemingly immortal creep of tortoises In this powerful remembrance Fae Myenne Ng gives voice to her valiant ancestors her bold and ruthless Orphan Bachelors and her own inner self howling in Cantonese impossible to translate but determined to be heard **The Orphan** Laurette Marian Edwards,2007 The Orphan is Laurette Marian Edwards unsentimental sensitive and often charming account of her personal experiences growing up as an orphan spanning over seven decades and several continents **Orphan Island** Rose Macaulay,1925 In 1855 a philanthropic young person Miss Charlotte Smith was escorting forty orphans to San Francisco when the ship was wrecked and the survivors Miss Smith the orphans a doctor and some others landed on a desert island Those sailors who had escaped deserted them the next day in the boats There they remained unvisited for some seventy years with little to disturb the monotony beyond the adventures of the Doctor who was secured in turn by Miss Smith and a shark All this is contained in chapter one The second chapter opens in 1922 at Cambridge where lived the descendants of one of the sailors who deserted a professor and his three children A document and chart coming into the professor s hands left by his dead grandfather telling the story of the marooning of Miss Smith and the orphans the professor and his family voyage out to the island and find there a thriving community and Orphan Island is chiefly concerned with the community and the relations of it to the professor and his family Amazon **Internationalism in Children's Series** K. Sands-O'Connor,M. Frank,2014-04-08 Internationalism in Children s Series brings together international children s literature scholars who interpret internationalism through various cultural historical and theoretical lenses From imperialism to transnationalism from Tom Swift to Harry Potter this book addresses the unique ability of series to introduce children to the world

Children and Their Homes: A Historical Survey Pasquale De Marco,2025-04-27 Children and Their Homes A Historical Survey is a comprehensive and engaging exploration of the history of adoption and maternity homes shedding light on the complex social legal and cultural factors that have shaped these institutions over time This book takes a deep dive into the historical roots of adoption and orphanages tracing their evolution from ancient times to the present day It examines how changing societal attitudes towards children and family have influenced adoption practices and how the legal framework governing adoption has developed in response to these shifts The book also delves into the process of adoption providing a detailed overview of the legal procedures and the role of adoption agencies and social workers in facilitating the placement of children with adoptive families It explores the challenges and benefits of adoption both for adoptive parents and children and examines the long term outcomes for adopted children Maternity homes which have played a significant role in the history of adoption are also given due attention in this book It explores the history of maternity homes their legal framework and the comprehensive services they provide to unwed mothers including prenatal care counseling and assistance with

finding adoptive families for their children The challenges and benefits of maternity homes both for unwed mothers and for the children placed through these institutions are also examined The book recognizes the emotional and psychological toll that pregnancy and childbirth can have on unwed mothers and the challenges they may face in raising a child alone or navigating the adoption process It also highlights the benefits that maternity homes can provide such as a safe and supportive environment access to medical care and counseling and the opportunity for unwed mothers to make informed decisions about the future of their children This book is a valuable resource for anyone interested in the history of adoption and maternity homes as well as for professionals working in the field of child welfare It is a comprehensive and well researched work that provides a nuanced examination of these complex and evolving institutions If you like this book write a review on google books

*Save the Children* Virginia Loh-Hagan,2020-01-01 The events surrounding the Orphan Trains did not look the same to everyone involved Step back in time and into the shoes of an orphan child heading to the Midwest a Midwestern family awaiting a child and a New York City child welfare worker as readers act out the scenes that took place in the midst of this historic event Written with simplified considerate text to help struggling readers books in this series are made to build confidence as readers engage and read aloud This book includes a table of contents glossary index author biography sidebars and timelines

*Children's Authors and Illustrators Too Good to Miss* Sharron L. McElmeel,2004-06-30 Who are today's must know children's authors and illustrators McElmeel's ready reference introduces you to some of the hottest new names in children's literature and reacquaints you with established authors and illustrators who are just now becoming recognized for their contributions to the field You'll find engaging biographical sketches photos selected bibliographies and lists of resources for 45 authors and illustrators including Laurie Halse Anderson Haemi Balgassi Toni Buzzeo David Diaz Kate DiCamillo Linda Sue Park Chris Soentpiet Anastasia Suen Simms Taback and many more This all new new volume is a current and affordable update to the Popular Authors Series Students will enjoy using it as a resource for reports and research papers and librarians will find it a handy reference and collection development tool A great addition to the elementary school library and to the children's room at the public library Grades K-6

**Child Welfare Work in California** William Henry Slingerland,1916

**Marjorie Too Afraid to Cry: A Home Child Experience** Patricia Skidmore,2013-01-05 In 1937 10 year old Marjorie Arnison was shipped from Britain to Prince of Wales Fairbridge Farm School near Victoria British Columbia For years she wouldn't talk about her past It wasn't until daughter Patricia explored archival records and shared them with her mother that a home child saga emerged

**New South Wales** Linsie Tan,2017-02-01 New South Wales is the fourth largest state in Australia but it has the highest population and an economy that is bigger than that of some nearby countries Sydney is where Australia's first British colony was founded in 1788 making its early history also the history of the nation Find out how the settlers interacted with the Aboriginal people how migrants came from around the world and how a vibrant economy developed Aboriginal history and culture Maps timelines statistics

Historic illustrations Covers geography history economics government Biographies of notable people Australian Primary Curriculum     **The Chinese Boy** Kevin Knauss,2024-06-03     Ozhoma Trygve Jorgensen,2021-07-14 Few people in the United States remember that one of the largest criminal conspiracies in history was committed against children in Oklahoma The first woman elected to a state office Kate Barnard attempted to defend the mineral rights of over sixty thousand minors in the state In the Gilded Age she represented her faith and remembered that whatsoever you do unto the least of these you do to Christ This story is about one man named Eben trying to help one of those children His name in Choctaw is Kowee which means the Lion Eben is a man of faith who lacks courage He learns that it is often the faithful around us who lend us the support to step into the maelstrom     **Child Welfare: Services and Perspectives** Dorothy Zietz,1969     **Pioneers to the West** John Bliss,2011-07 Offers insight into the pioneer children s daily life and provides profiles of real migrant children and their later successes
