Gold Coast And Achimota In The Second World War

Muriel E. Chamberlain

Gold Coast And Achimota In The Second World War:

The Gold Coast and Achimota in the Second World War S. Kojo Addae, 2004 This book seeks to tell the story of the parts played by the key institution of Achimota College in the Gold Coast now Ghana during the Second World War Achimota College was the headquarters of the West Africa command from where the Royal West African frontier force was organised Secondly British resident ministers sent to the Gold Coast by Churchill's government to coordinate the war effort in West Africa had their offices at Achimota Achimota was also a key educational institution in West Africa and led to the establishment of the University College of the Gold Coast at Achimota in 1948

The Oxford Handbook of Disability History Michael Rembis, Catherine J. Kudlick, Kim Nielsen, 2018-06-19 Disability history exists outside of the institutions healers and treatments it often brings to mind It is a history where disabled people live not just as patients or cure seekers but rather as people living differently in the world and it is also a history that helps define the fundamental concepts of identity community citizenship and normality The Oxford Handbook of Disability History is the first volume of its kind to represent this history and its global scale from ancient Greece to British West Africa The twenty seven articles written by thirty experts from across the field capture the diversity and liveliness of this emerging scholarship Whether discussing disability in modern Chinese cinema or on the American antebellum stage this collection provides new and valuable insights into the rich and varied lives of disabled people across time and place

The Last Imperialist Bruce Gilley, 2021-09-21 The British Empire one of the most powerful forces in history was also one of the most humane Yet at its twilight few were willing to defy the anti colonial reaction that condemned millions to despotism under the regimes that replaced it Sir Alan Burns was among them In this lively and provocative work of history Bruce Gilley vindicates Sir Alan's view that decolonization was poorly managed and too swiftly executed a view based not on imperialist nostalgia but on a sober assessment of the ravages of the twentieth century Gilley demonstrates that Burns understood the benefits of colonial rule and correctly foretold the chaos that accompanied its rapid dissolution Relying on previously unavailable documentation from Burns's family The Last Imperialist dethrones the revisionist historians and shatters their unbalanced accusations against European colonialism This is history writing at its most courageous

'Your Secret Language' Barbara Goff, 2013-05-09 An investigation into the teaching of classics in the colonial education of West Africa in the late nineteenth and twentieth centuries

The British Empire and the Second World War Ashley Jackson, 2006-03-09 In 1939 Hitler went to war not just with Great Britain he also went to war with the whole of the British Empire the greatest empire that there had ever been In the years since 1945 that empire has disappeared and the crucial fact that the British Empire fought together as a whole during the war has been forgotten All the parts of the empire joined the struggle and were involved in it from the beginning undergoing huge changes and sometimes suffering great losses as a result The war in the desert the defence of Malta and the Malayan campaign and the contribution of the empire as a whole in terms of supplies communications and troops all reflect the strategic importance of Britain's imperial status Men

and women not only from Australia New Zealand and India but from many parts of Africa and the Middle East all played their part Winston Churchill saw the war throughout in imperial terms The British Empire and the Second World War emphasises a central fact about the Second World War that is often forgotten *Sharing the Burden of Sickness* Jonathan Roberts,2021-11-09 In *Sharing the Burden of Sickness* Jonathan Roberts examines the history of the healing cultures in Accra Ghana When people are sick in Accra they can pursue a variety of therapeutic options West African traditional healers spiritual healers from the Islamic and Christian traditions Western clinical medicine and an open marketplace of over the counter medicine provide ample means to promote healing and preventing sickness Each of these healing cultures had a historical point of arrival in the city of Accra and Roberts tells the story of how they intertwined and how patients and healers worked together in their struggle against disease By focusing on the medical history of one place Roberts details how urban development colonization decolonization and independence brought new populations to the city where they shared their ideas about sickness and health *Sharing the Burden of Sickness* explores medical history during important periods in Accra s history Roberts not only introduces readers to a wide range of ideas about health but also charts a course for a thoroughly pluralistic culture of healing in the future especially with the spread of new epidemics of HIV AIDS and ebola Historical Dictionary of Ghana David Owusu-Ansah,2014-02-27 Ghana the former British colony of the Gold Coast is historically known for being the first country to the south of the Sahara to attain political independence from colonial rule It is known for its exports of cocoa and a variety of minerals especially gold and it is now an oil exporting country But Ghana s importance to the African continent is not only seen in its natural resources or its potential to expand its agricultural output Rather the nation s political history of nationalism the history of military engagement in politics record of economic depression and the ability to rise from the ashes of political and economic decay is the most unique character of the country This fourth edition of *Historical Dictionary of Ghana* covers its history through a chronology an introductory essay appendixes and an extensive bibliography The dictionary section has over 900 cross referenced entries on important personalities politics economy foreign relations religion and culture This book is an excellent access point for students researchers and anyone wanting to know more about Ghana *West African Soldiers in Britain's Colonial Army (1860-1960)* Timothy Stapleton,2022 *West African Soldiers in Britain s Colonial Army 1860 1960* explores the history of Britain s West African colonial army based in Nigeria Ghana Sierra Leone and the Gambia placing it within a broader social context and emphasizing as far as possible the experience of the ordinary soldier The aim is not to describe the many battles and campaigns fought by this force but to look at the development of the West African colonial army as an institution over the course of about a century In pursuing this goal it is sometimes useful to employ the lens of military culture defined differently by scholars but essentially meaning a set of shared ideas and behaviors that inform daily life in the military While other locally recruited colonial militaries in Africa have attracted considerable attention from historians as they served as an essential pillar supporting European rule this book

represents the first comprehensive scholarly study of Britain's West African army which was the largest such British led force south of the Sahara. The study is based on extensive archival research conducted in nine archives located in five countries.

The Life and Times of Dr. J.B. Danquah L. H. Ofosu-Appiah, 1974 Literary Culture in Colonial Ghana Stephanie Newell, 2002. Considering the literary habits, production, reception, selection in a colonial Ghana, this study provides empirical and statistical data of how colonial literature is absorbed and coins the new term paracolonial to better describe the ebb and flow of influence and creativity. It shows how colonial West Africa, the Gold Coast, adapted to an imposed education system and developed its own indigenous cultural representation far beyond the previously conceived limited vocabulary of simple mimicry. Longman Companion to European Decolonisation in the Twentieth Century Muriel E. Chamberlain, 2014-06-11. This new Companion brings together in one single volume all the essential facts and figures relating to European decolonisation in the twentieth century. Professor Chamberlain has taken each European empire in turn: the British, French, Dutch, Portuguese, Spanish, Belgian, and Italian, and for each one she has provided a detailed chronology of the process of decolonisation in the individual states. **Windows on Africa** Robert T. Parsons, 2023-08-28 *Colonial Soldiers in Europe, 1914-1945* Eric Storm, Ali Al Tuma, 2015-12-22. During the first half of the twentieth century, European countries witnessed the arrival of hundreds of thousands of colonial soldiers fighting in European territory. First and Second World War and Spanish Civil War, and coming into contact with European society and culture. For many Europeans, these were the first instances in which they met Asians or Africans, and the presence of Indian, Indo-Chinese, Moluccan, Senegalese, Moroccan, or Algerian soldiers in Europe did not go unnoticed. This book explores this experience as it relates to the returning soldiers who often had difficulties re-adapting to their subordinate status at home and on European authorities who for the first time had to accommodate large numbers of foreigners in their own territories, which in some ways would help shape later immigration policies. **Ghana in Pictures** Yvette La Pierre, 2004-01-01. Introduces through text and photographs the land, history, government, people, and economy of Ghana. *Africa Under Colonial Domination 1880-1935* Unesco. International Scientific Committee for the Drafting of a General History of Africa, 1985. Africa was partitioned and colonized by the Europeans. After military conquest came the commercial exploitation of the wealth of Africa. The intensity of resistance to colonization varied from one region to another, but a new economic and social system linked with colonization was put in place, bringing about unprecedented demographic and political change. Publisher's description. **Historical Dictionary of Ghana** Edmund Abaka, David Owusu-Ansah, 2024-02-27. Ghana, the former British West African colony of the Gold Coast, is known for its rich agricultural, mineral, and petroleum resources. Ghana has made tremendous strides in all areas of life and has become the gateway to West Africa, if not all of Africa. Observers now cite the country's achievement of economic recovery, political stability, and democratized governance as an example worthy of emulation by other African countries. Historical Dictionary of Ghana, Fifth Edition, contains a chronology, an introduction, and an extensive bibliography. The dictionary section has more

than 900 cross referenced entries on important personalities as well as aspects of the country's politics economy foreign relations religion and culture This book is an excellent resource for students researchers and anyone wanting to know more about Ghana **Education in the UK Dependencies** Great Britain. Central Office of Information. Reference Division,1959

Consensus, Conflict, and Change Margaret Peil,Olatunji Y. Oyeneye,1998 Two very distinguished sociologists here undertake an extensive and comparative examination of African societies from a sociological perspective addressing the various aspects and agents of transformation The study is against the background of the transformation of African societies triggered by such factors as dysfunctions within values beliefs and norms general economic and political factors and adjustments due to external forces particularly new culture and technologies The issues are examined from the perspective that democratisation modernisation and globalisation are forces influencing African societies whilst traditional values and cultures produce a conflict of interest The chapters cover social organisation interaction differentiation families education religion economic activities cities social problems and social change **The History of Black Africa** Endre Sik,1966

The Department of State Bulletin ,1951

As recognized, adventure as competently as experience just about lesson, amusement, as with ease as settlement can be gotten by just checking out a book **Gold Coast And Achimota In The Second World War** as a consequence it is not directly done, you could acknowledge even more on this life, vis--vis the world.

We pay for you this proper as without difficulty as simple way to acquire those all. We have enough money Gold Coast And Achimota In The Second World War and numerous book collections from fictions to scientific research in any way. in the course of them is this Gold Coast And Achimota In The Second World War that can be your partner.
