Blake McKinley, DDS, 2022-01-31 Being a Grandpa does not come with a book of instructions Every Grandpa is as unique as a fingerprint and each relationship with his grandkids usually molds itself into a customized experience of mutual advice wisdom and suggestions Sometimes you just get crazy with each other The Grandpa's Manual is not a how to book It is a collection of stories encouraging men to become whatever kind of Grandpa they desire to be It is written so the reader can pause put it down and say Hmm I never thought of that Building a relationship with your grandkids is important business So when grandkids look to Grandpa for advice and wisdom they can see that Grandpas have grandkid challenges in the relationship too Take for instance when your grandkid suffers a breakup with his first true love and concludes he cannot share his broken heart with Mom Dad or his little sister

Mom is a girl Dad sometimes does not take it really seriously And little sister may know his true love and nothing will ever be sacred again Who may be the one who will listen not judge and help soothe that broken spirit It may be Grandpa Grandpa has probably been in the same situation and knows how to stitch up the wound Grandpa have you ever raced your grandkid in a go kart Or have you run a zip line lately What would you say if your grandkid asked you what it would be like to die Do dogs go to heaven What is prayer and who is God Have you ever tried to bake bread with your grandkid when neither one of you knows how to bake bread How do you handle life when Grandma dies Where is the boundary line with Mom and Dad when it comes to giving opinions and advice The Grandpa s Manual walks with you as you seek answers to these and many other questions It is an exciting book that will move you in the direction of establishing the greatest role on earth being a Grandpa

The Great Highway of Life Carole Lunde, 2016-04-22 Did you awaken one day to your spiritual nature and wonder how you got there The flower grows from a seed in the physical ground pushes up toward the sunlight growing a stem and leaves that reach for the light and suddenly it blooms It is a beautiful bloom that is nothing like the stem leaves seed and ground it came from A friend asked if the flower is as surprised when it blooms as we are when we suddenly step into the light of our spirituality Would you like to explore your own development mirrored to you by the deeper meaning of the Bible events and stories The Bible gives us a clear pathway a highway not a confusing tangle of byways that lead nowhere This is what Isaiah was telling us in Chapter 40 3 In the wilderness prepare the way of the Lord make straight in the desert a highway for our God Every valley shall be lifted up and every mountain and hill made low the uneven ground shall become level and the rough places plain And the glory of the Lord shall be revealed and all flesh shall see it together for the mouth of the Lord has spoken Navigating the Bible through metaphysics leads you book by book chapter by chapter and sometimes verse by verse on that highway of psychological development from infancy to the gates of spirituality that open into the Gospels There Jesus leads us forward with the example of his life and teachings showing us the kingdom of heaven The Apostle Paul sees the Christ nature in each of us and endeavors to live it every day Then we reach the book of Revelation We trod the final steps to the New Jerusalem the Christ consciousness where we shed all earthly limitation and are totally prepared for God to return us to our true home
