Runaway Time David E. Schauble, 2021-10-18 RUNAWAY TIME Every person is far more than what we perceive when we rely on our senses to judge We are all one thread in the same fabric of life and share the same heartbeats time and life force Just graduating from an upscale small high school Lisa looks forward to taking flight from home and starting a new life of independence She has grown up in an affluent and sheltered environment spending her formative years raised by close and loving parents Her father whom she has idolized tried to pass on to her the lessons of life people and the world But after his tragic death years earlier Lisa has closed off and built walls stagnating that development Now she is about to learn big and real lessons from life The roller coaster ride into bad and ugliness of the real world will open every emotion provoke inspiring thoughts and teach her that what is real is far more than what she has seen Time and real life events will take her through unexpected twists and turns inspiring thoughts and gaining a true reflection of life people and purpose far more than she has ever imagined No matter one s age or life people and life events are not what we may judge or perceive but often dramatically and unexpectedly different
