

The Golden Web

The background of the slide is a dark brown color. It features a series of wavy, golden-yellow lines that flow from the top left towards the bottom right. These lines are composed of many small, overlapping segments, giving them a textured, almost liquid appearance. In the upper left corner, there are several bright, circular golden spots that look like light reflections or data points. Scattered throughout the background, particularly along the wavy lines, are small, faint binary digits (0s and 1s) in a golden color, suggesting a digital or network theme.
